OREGON'S SHOWING AT CHICAGO NEXT YEAR

Remains in doubt, but there is no question about the PORTLAND INDUSTRIAL EXPOSITION—which opens September 21st and closes October 22d, being the best Exposition ever held on the Pacific Coast. So far as Oregon is concerned it will be the forerunner of the Exposition at Chicago in 1893. The principal attractions are the magnificent American Band of Providence, R. I. An art collection valued at \$350,000, and embracing some of the greatest pictures owned in the United States. Immense Horticultural and Agricultural exhibits, the result of the combined efforts of almost every county in the state. A mineral exhibit exceeding all former years. A Stock Department showing tremendous progress. To these are added a larger number of exhibits than ever before; including a magnificent electrical display under the combined Thomson-Houston and Edison Companies. All manufactures in full operation. Government models of Battle Ships. The wonderful Hall of Mystery. The marvelous "Little World," the product of a mechanical genius; all interspersed by novelties incident to the popular special days. Everything new and nothing dead. Greatly reduced rates on all transportation lines.

Rewards to the Good and Bad.

Every schoolgirl and boy in Bellmore, L. I., knows Lawyer George A. Mott. A few days ago he visited the village school in that place with the pockets of his overcoat bulging out with prizes for the pupils. The prizes were for good conduct and excellence in different studies. More than a dozen boys and girls were made happy. Two prizes still remained, and then Mr. Mott requested the teacher, Miss Fish, to call up the worst boy in the school. A bright eyed urchin named Clinton Moore was produced by Miss Fish in response to Mr. Mott's request. He was presented with one of the remaining prizes and promised to try to do better. When Mr. Mott asked for the worst girl in the school saucy Jennie Hicks raised her hand. She received the other prize. -New York Sun.

What is "Trotty?"

I ask for information. I have been reading lately a very clever novel about English artist life and English smart society. Twice over in the story a smart young woman is made to describe certain articles of costume in a bride's trousseau as "quite too awfully trotty for words." I have never to my knowledge heard the phrase "trotty" used in that sense. Is it an epithet of London smart society? If so, what is its supposed derivation? Is it imported from America, as most of our slang phrases lately are? Any information on this point kindly supplied will be rewarded with the best thanks of this writer, who feels a considerable interest in slang but likes it genuine when he can get it

THE DALLES CHRONICLE.

Daily and Weekly Editions.

THE CHRONICLE was established for the express purpose of faithfully representing The Dalles and the surrounding country, and the satisfying effect of its mission is everywhere apparent. It now leads all other publications in Wasco, Sherman, Gilliam, a large part of Crook, Morrow and Grant counties, as well as Klickitat and other regions north of The Dalles, hence it is the best medium for advertisers in the Inland Empire.

The DAILY CHRONICLE is published every evening in the week (Sundays excepted) at \$6.00 per annum. The WEEKLY CHRONICLE on Fridays of each week at \$1.50 per annum.

For advertising rates, subscriptions, etc., address THE CHRONICLE PUBLISHING CO., The Dalles, Oregon.

THE DALLES,

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon. Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these
