Misses Mary Fraser and Minnie Michell spent Saturday and Sunday at Hood River, returning last night.

An unfortunate morphine fiend Frank Carbone of Cottage Grove, Cala., who has given The Dalles authorities lots of trouble, imposed upon the kind and genial Conductor Comer Saturday, by having several severe spasms on the route to Portland.

We have lived in Portland. Twenty-eight years ago we assisted Barney Goldsmith to purchase the present consolidated city park, but until yesterday never entertained any adequate conception of its superb grandeur.

How many women are there who would rather have the money than health? And "Favorite Prescription" produces health. Wonder is that there's a woman willing to suffer when there's a guaranteed remedy in the nearest drug store.

FRANK AND JOE.

The Model Printing Office in the United States, West of Washington.

When the sovereign grand lodge of Odd Fellows met in Topeka Kan., in 1890, they awarded the contract for printing the daily proceedings in book form to the largest printing office in that city. The proceedings of each day make a book of about 80 pages, and 4,000 to 5,000 must be delivered, ready for mailing, at the opening of the session the next morning, requiring a large force of printers and many presses. At Topeka the work could not be issued in time.

Dr. Pierce's Favorite Prescription is she could get it without. That woman had tried it. And it's a medicine which makes itself felt in toning up the system and correcting irregularities as soon as its use is begun.

Dr. Pierce's Pellets regulate the stomach, Liver and Bowels. Mild and effective.

PUBLIC SPEAKING.

First Political Address of the Season Saturday Evening.

Business of a nature which could not be put off compelled the editor of THE CHRONICLE to be absent from the first political meeting of the season held at The Dalles Court house Saturday evening.

all his expressions bear out the tenets of his party, and some men differ with him in this regard, yet there is not a right minded man who listened to the Colonel here but who is willing to admit that he is an able and eloquent orator, as well as one of the best reasoners that has ever held forth in this vicinity.

SNIPES BANK ROBBED. One of the Boldest and Most Daring Deeds of the Wild and Woolly West.

A dispatch from Ellensburg Saturday says word was received here from Roslyn today that the bank of Abrams, Snipes & Company had been robbed. Five masked men rode up to the door at 2 o'clock and when they left they carried with them a sack of money said to be \$10,000. Today was pay-day at the Roslyn mines and \$40,000 arrived from Tacoma this morning.

Cashier Abernethy was writing when the first robber entered, and turned to wait on the supposed customer, but found himself facing a revolver. Dr. Lyons, who had entered just after the first highwayman, turned to go out, but instead dashed against a pair of revolvers in the hands of a second robber.

S. A. Frazer, the assistant cashier, who was outside, grabbed a shotgun and made for the bank, when one of the robbers stopped his progress by placing a bullet in his hip. A colored man named Conoley was shot in the leg and several others had narrow escapes.

The sheriff was notified and a large posse started in pursuit. It is believed the robbers cannot escape, as the peculiar topography of the country will aid the officers.

Base Ball Game.

Saturday afternoon the Ferguson base ball nine of The Dalles distinctively sent back to the east a great big "No!" to the inquiry: "Is base ball playing losing caste," by being swiped by the Dufur nine.

A Traveling Man's Experience With Diarrhoea.

I am a traveling man and have been afflicted with what is called chronic diarrhoea for some ten years. Last fall I was in Western Pennsylvania, and accidentally was introduced to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I ventured to make a trial and was wonderfully relieved. I would like now to introduce it among my friends. H. M. LEWIS, 24 Freeman street, Cleveland, Ohio. For sale by Blakely & Houghton, druggists.

Saved His Child's Life.

A. N. Dufferhous, York, Neb., says: "The other day I came home and found my little boy down with cholera morbus, my wife scared, not knowing what to do. I went straightway and got a 25 cent bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and gave it according to directions. You never saw such a change in a child. His limbs and body were cold. I rubbed his limbs and body with my hands, and after I had given him the second dose he went to sleep, and, as my wife says, 'from a death-bed he was up playing in three hours.' It saved me a doctor bill of about three dollars, and what is better, it saved my child. I can recommend it with a clear conscience." For sale by Blakely & Houghton, druggists.
