**THE LAST SHALL BE FIRST.**  
 Who would not haste to do some mighty thing,  
 If safe occasion gave it to his hand,  
 Knowing that at its close his name would ring,  
 Coupled with praises, through a grateful land?  
 Who would not hear with joy some great com-  
 mand,  
 Bidding him dare to earn a glorious name?  
 The task is easy that secures us fame.  
 But, ah! how seldom comes the trumpet call,  
 That stirs the pulse and fills the veins with  
 flame.  
 When victory asks fierce effort, once for all,  
 And smiling fortune points a way to fame  
 Along some path of honor free from blame,  
 Some murmural, yes, curse, the scheme divine  
 Our earnings fill an ever leaking sieve,  
 Our task fulfilled, another still succeeds,  
 And brief neglect brings overgrowth of weeds.  
 What wonder, then, if suffering men repine,  
 And hopelessness gives way to mad despair?  
 Some murmural, yes, curse, the scheme divine  
 That placed them where the saws of frating  
 care  
 Across their brows a deepening channel wear.  
 For them no springtime speaks of hope re-  
 newed,  
 But changeless wintry skies above them brood.  
 Oh, fools and blind! This world is not the goal,  
 But shapes us for a larger world unknown.  
 The vilest slave that keeps a patient soul  
 Shall yet rank higher than the sensual drone  
 Who seeks to please his worthless self alone.  
 If humblest toil be hardest, yet be sure,  
 He most shall merit who can most endure.  
 -Walter W. Skeat in London Academy

**OREGON'S SHOWING**  
**AT CHICAGO**  
**NEXT YEAR**

Remains in doubt, but there is no question about the PORTLAND INDUSTRIAL EXPOSITION—which opens September 21st and closes October 22d, being the best Exposition ever held on the Pacific Coast. So far as Oregon is concerned it will be the forerunner of the Exposition at Chicago in 1893. The principal attractions are the magnificent American Band of Providence, R. I. An art collection valued at \$350,000, and embracing some of the greatest pictures owned in the United States. Immense Horticultural and Agricultural exhibits, the result of the combined efforts of almost every county in the state. A mineral exhibit exceeding all former years. A Stock Department showing tremendous progress. To these are added a larger number of exhibits than ever before; including a magnificent electrical display under the combined Thomson-Houston and Edison Companies. All manufactures in full operation. Government models of Battle Ships. The wonderful Hall of Mystery. The marvelous "Little World," the product of a mechanical genius; all interspersed by novelties incident to the popular special days. Everything new and nothing dead. Greatly reduced rates on all transportation lines.
