SATURDAY - OCTOBER 1, 1892

LOCAL BRIEFITIES.

Monday will be election day. Thermometer today 76 in The Dalles. Buy a new ham of the Columbia Packing Company. Deputy sheriff Phirman is at Cascade Locks today on official business. There will be an exodus of Dalles City attorneys tomorrow to Moro. Mrs. Jessie Oakes, of Mitchell, is the guest of her sister, Mrs. G. P. Morgan. Miss Nellie Butler has accepted a school at Wamic, and left for that place yesterday. The new Congregational church in this city will be dedicated on the 16th inst. Mayor Mays is in the city today, and will remain several days. He will be in attendance at the Press convention. The New Germania opened today, and Messrs. Stubling & Williams smile, the guests "smile" also, proud of such a neat cosy resort. City Recorder Menzies has had a very attractive card printed, descriptive of the city lots to be sold at auction, commencing on the 11th. Mr. John G. Madock, the Goldendale banker, was a passenger out by stage this morning, returning from a trip to the Golden Gate. Justice Schutz court room has been Masonically "raised," by the introduction of a large light which sheds its rays after nightfall upon all who come searching. Five more boxes of elegant fruit from The Dalles, was received at Portland this morning from the orchard of Mr. Emil Schaboo. That's right—send it ahead. Mr. Malcolm MacInnes, assistant secretary of the agricultural society, may be found at the office of Wm. Butler & Co., corner of Second and Jefferson streets, The Dalles. Street commissioner Stanies will have the streets of Dalles city looking as neat as a new pin by Monday night. People who persist in littering the streets with paper, etc., make Jack nearly as mad, if not madder than the merchant who does his advertising by keeping a lot of old empty boxes on the sidewalks. Among the freight by the Regulator last night was a fine lamp for Mr. N. Harris. It was incased in a box as tall as an ordinary dry goods counter, large base and small top, reminding one of the conundrum of grandmother's churn: "Big at the bottom, small at the top, with a staff in the middle going flip-a-tat-flip." The ladies of the committees who are going to the Cascades on Tuesday to meet the members of the Press Association, desire THE CHRONICLE to say that they will not be prepared to serve refreshments to others than members of the Press Association, and advise others who go, to be prepared with lunch baskets.

Mrs. C. G. Roberts, of Hood River, is at The Umatilla. Our Bro. Ed. Cappelbaugh is up on a flying visit today from Hood River. We regret exceedingly to hear that Mr. M. V. Harrison, Hood River's popular merchant, has had his doors closed by some eastern creditor. Judge Blakeley, in the matter of the estate of Mr. Sunshine, deceased, met with others interested, in Justice Schutz court to make an inquiry into the estate as provided by law. The price for all advertising in THE CHRONICLE is uniformly the same. We never make fish of one customer and fowl of another. We give better service for the price than any other daily newspaper in the state of Oregon. Col. Sidney Dell of the sea-port city, passed through on the noon passenger. We regret missing one of his courtly greetings by failure to meet the train. He is evidently off on business to Ogdien or beyond. A number of gentlemen, members, will soon form the incorporation of the First Christian church of The Dalles, Or. The work of building the foundation for the new edifice has begun. After completion of the foundation by the church society, the structure will be put up by Contractor Boyer. We are informed that the action for damages resulting from the Union Pacific railway accident at the cascades, Feb. 2d, 1890, brought by Claus Meyer, has been settled the company paying complainant \$7,000. The case was started in the Wasco circuit court, and was afterwards taken into the United States court at Portland. A. J. Ahola, for some time past manager for the Farmers' Mercantile company at Goldendale, has severed his connection with that firm and accepted a position with Mays & Crowe of The Dalles. The Sentinel says: "Mr. Ahola is one of the young men who all unaided has proven himself capable of doing business upon a paying basis. The citizens of Goldendale will be sorry to lose this sterling young man, but our loss will be a decided gain for The Dalles. D. Cram will take the management of the Farmers' Mercantile company vice A. J. Ahola. Mr. Cram has had many years experience as a salesman and was a member of the firm of Cumming & Cram." W. E. Garretson says it is astonishing what a number of beautiful stones are brought to him annually to be sent away to be dressed by a lapidary. Some of these are garnets, opals and the most lovely agates, picked up all along the Columbia. The latest are four just returned to him from Denver for Messrs. John Marden and S. L. Brooks, picked up by them this summer at the Cascades. A young lady of The Dalles has a beautiful opal taken from the gizzard of a grouse, and it is polished as nicely as if it had been dressed by a virtuoso skilled in the work of polishing gems. These are facts worthy of mention, and go to add to the knowledge of the existence in our midst of many hidden mysteries yet to be discovered for profitable development. Two pleasant bed rooms in a neat cottage on the hill, to let. Inquire at this office. 10.1dtd **Diaz Declared President.** MEXICO, Oct. 1.—Diaz has been formally declared president four more years, beginning December 1st.

Something to See.
The citizens committees of the Press-association very much desire that the editors next week shall see for themselves some of the wonderful productions of Wasco, and will be pleased to borrow any choice samples of fruit, grain, vegetables, grasses, etc., anything that people may have to loan for the occasion. Bring them to the circuit court room, please, on Tuesday next, at noon. A committee will be there to receive them and take care of all contributions.

Church Notices.
There will be the usual services at St. Pauls Episcopal church tomorrow. Celebration of the Holy Communion at 11 o'clock a. m. Rev. Arthur Rooney, of Cove will officiate. Congregational church services in the Court house Sunday a. m. at 11 o'clock, Sunday school at 12:15, and Young Peoples Society of Christian Endeavor at 6 p. m. All cordially invited. Union services at the court house Sunday evening at 7:30. Preaching by Rev. W. C. Curtis, pastor of the Congregational church. A cordial invitation is extended to all not worshipping elsewhere. Christian church services will be held in the court house Sunday at 3 p. m. Elder J. W. Jenkins will preach. All are invited. Rev Mr. Wistler will preach his first sermon in The Dalles at the new M. E. church tomorrow.

Inspecting Coal Fields.
In the Buffalo Courier we find a Pittsburg special, giving an account of the travels of a party of experts in Pennsylvania, inspecting the coal fields at various points. One of the members of the party is Mr. E. L. Hedstrom, of the leading coal firm of Buffalo, E. L. Hedstrom & Co., well known to many citizens of The Dalles. It will be remembered that he visited the coal fields at Fossil, in the spring of 1890. He is interested in fruit lands in The Dalles, being of the firm of Taylor, Hedstrom & Burnside. We trust he will soon develop coal lands in our immediate vicinity soon. The special above referred to says: "Messrs. Seibert, Roberts and Hedstrom while here were the guests of Messrs. Lawrence and Dean. It was their first visit to the great Connellyville coke region and the mines along the Pittsburgh and Lake Erie, and they were greatly impressed with the magnitude of the coal fields, as well as the extent of Pittsburgh's industries. Yesterday they visited the plant of the Loyalhanna coal and coke company as the guests of C. M. Watt of Philadelphia, its general manager, who is a brother of D. M. Watt of the Pennsylvania's Monongahela division. Today they will visit the coal fields at Reynoldsville in the Allegheny Valley, on their homeward journey to Buffalo."

Canyon City News.
THURSDAY, Sept. 30, the News says: Henry Blackwell has driven plenty of beef cattle from Grant county this summer and is still at it. He reports cattle in good condition at this season. Cash is becoming a little more plentiful since Henry began scattering it around among stockmen. The rains of the past week effectually laid the dust and quenched the fires which have been burning so furiously in the hills for several weeks past. It is hard to estimate the benefit that has accrued from them. Noble swishes have invaded the mountain precincts again. Parties who boasted to "killum" if they showed up here again have not been seen lately. Pat Mulcare has already sown his crop of fall grain. Should we have the usual warm autumn, Pat may be compelled to do the harvest act again this year. Sheepmen are figuring on driving their bands home from summer range on the mountain before a great while, as snow will soon be whitening the landscape up there. Herbert Hunter, Frank Sels and others went hunting a few days ago and brought in one bear and a number of fine deer from the mountains. Sels shot the bear. Smith boys of Middle Fork shipped a carload of fine Percheron horses to South Dakota last week. The horses were some of their own raising. Let the good work of prospecting continue. Our camp will prosper some day—perhaps in the dim distant future and maybe at an earlier day. The large potato that ornaments our editorial desk grew on Brad Herburger's farm west of town without irrigation. It weighs 2½ pounds. The Humboldt mine turned on the water again a few days ago for a short fall run. Green grass is springing up on the hills since the rain.

Held for Treason.
A dispatch from Homestead today states that a sensation was created there yesterday, when a number of members of the advisory committee of strikers, Chairman Crawford, members Baird, Ryland, Dierken and Brown were arrested. They are charged with treason, and the warrants are based on the information of Chief Justice Paxson. The arrests were very unexpected. The prisoners were taken to Pittsburg, and landed in jail. The strikers are very much excited. The information against the men charges O'Donnell, McLuckie and thirty others, all members of the advisory committee, with ordaining, preparing and levying war against the commonwealth of Pennsylvania, and defying and resisting the constitution, laws and authorities. The petitions on which Chief Justice Paxson issued the warrants were made by the county officers. This is the first time in the history of the state that any resident has been charged with treason, and the outcome of the cases will be watched with interest. The penalty for treason is twelve years' imprisonment.

We've heard of a woman who said she'd walk five miles to get a bottle of Dr. Pierce's Favorite Prescription if she couldn't get it without. That woman had tried it. And it's a medicine which makes itself felt in toning up the system and correcting irregularities as soon as its use is begun. Go to your drug store, pay a dollar, get a bottle and try it—try a second, a third if necessary. Before the third one's been taken you'll know that there's a remedy to help you. Then you'll keep on and a cure'll come. But if you shouldn't feel the help, should be disappointed in the results—you'll find guarantee printed on the bottle-wrappers that'll get your money back for you. How many women are there who would rather have the money than health? And "Favorite Prescription" produces health. Wonder is that there's a woman willing to suffer when there's a guaranteed remedy in the nearest drug store. Dr. Pierce's Pellets regulate the stomach, Liver and Bowels. Mild and effective. On October 7th the U. P. R. Co. have arranged for a cheap excursion to Portland for train leaving The Dalles 3 a. m. and 4 p. m. at the very low rate of \$3.50 for the round trip, including admission to the Exposition. Tickets will be good returning up to and including October 9. For detailed information inquire at ticket office. E. E. LITTLE, Agent.

Saved His Child's Life.
A. N. Dufferbough, York, Neb., says: "The other day I came home and found my little boy down with cholera morbus, my wife scared, not knowing what to do. I went straightway and got a 25 cent bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and gave it according to directions. You never saw such a change in a child. His limbs and body were cold. I rubbed his limbs and body with my hands, and after I had given him the second dose he went to sleep, and, as my wife says, "from a death-bed he was up playing in three hours." It saved me a doctor bill of about three dollars, and what is better, it saved my child. I can recommend it with a clear conscience." For sale by Blakely & Houghton, druggists.
