OREGON'S SHOWING AT, CHICAGO

NEXT YEAR Remains in doubt, but there is no question about the City PORTLAND INDUSTRIAL EX-POSITION-which opens September 21st and closes October 22d, being the best Exposition ever held on the Pacific Coast. So far as Oregon is concerned it will be the forerunner of the Exposition at Chicago in prices. Give me a call. 1893. The principal attractions are the magnificent American Band of Providence, R. I. An art collection valued at \$350,000, and embracing some of the greatest pictures owned in the United States. Immense Horticultural and Agricultural exhibits, the result of the combined efforts of almost every county in the state. A mineral exhibit exceeding all former years. A Stock Department showing tremendous progress. To these are added a larger number of exhibits than ever before; including a magnificent electrical display under the combined Thomson-Houston and Edison Companies. All manufactures in full operation. Government models of Battle Ships. The wondermarvelous "Little World," the product of a mechanical genius; all interspersed by novelties incident to the pop-
