OFFICIAL PAPER OF DALLIES CITY.
AND WASCO COUNTY.

National Republican Ticket.

FOR PRESIDENT,
BENJAMIN HARRISON,
of Indiana.

FOR VICE-PRESIDENT,
WHITELAW REID,
of New York.

FOR PRESIDENTIAL ELECTORS,
J. F. CAPLES, of Portland.
H. B. MILLER, of Grant's Pass.
G. M. IRWIN, of Union.
D. M. DUNNE, of Portland.

SENATOR JOHN H. MITCHELL.

There is no doubt but that Hon. John H. Mitchell will be here, to address the people of The Dalles, at the Court house, on the 26th, on the political issues of the day. Mr. Mitchell's presence at that time will insure the largest meeting ever held in this city.

MAKE A NOTE OF THIS.

You are hereby requested to take general charge and direction of the execution of the statutes of the United States touching the appointment of supervisors of elections and special deputy marshals, and the performance of their duties and their compensation, so far as these subjects are, by the constitution and laws, under the supervision and control of the executive branch of the government.

This is an exact copy of an official order issued and signed by the president of the United States. It was addressed to the attorney general. It relates to the enforcement of the United States supervisors law, sometimes referred to by democrats as the force bill, and it directs the attorney general to do whatever is necessary to carry out the provisions of the law. The order is unique. No similar one was ever issued from the White House before or since.

In order that democratic papers may not make the mistake of jumping on to President Harrison for issuing this order, they are respectfully informed that it was signed Grover Cleveland, and issued by him on October 5, 1888, just a month before the presidential election in which he was a candidate. Pursuant to the order Mr. Cleveland's attorney-general, Garland, issued instructions to the United States marshal of Tennessee to select none but reliable men to serve on election day, and the marshal issued orders to his deputies to aid and assist the United States supervisors in enforcing the law and securing a fair election. All this was done in the eighth month of the fourth year of the first term of Grover Cleveland, who thus deserves the honor of being the only president that ever issued a general order for the execution of "the force bill."

A dispatch from Yankton, South Dakota states that Judge Smith has issued a writ of mandamus to compel the commissioners of Charles Mix county to establish voting places on the Yankton Indian reservation. This is in the interest of the people's party. The board of commissioners are endeavoring to prevent the Indians from voting. There are 700 on the reservation who have taken land in severalty but who are not considered qualified voters. The commissioners were petitioned to establish voting places, but declined. The Indians, however, acting upon the advice of counsel, decided to compel the commissioners to take action.

The Hungarian and Italian miners who have for years had numerous factional fights in the Pennsylvania mines, had a serious conflict on Monday. The dispatch says blood flowed like water, a continuous fire from pistols was kept up by both sides, but stilettoes and knives played an important part and they were used with telling effect. The noise of the combat soon startled the whole mountain side, and men arrived from everywhere. Fully twenty minutes' work of cutting and slashing was kept up. How many Italians were shot cannot be told, but injury only seemed to add to their ferocity.

Dr. Newman Hall, the great British divine, preached his last sermon from the text, "God so loved the world!" This, he told his congregation, was the first text he ever learned, the text he first preached from, and should now be the last text of their pastor.

The executive committee of the National Negro tariff reform association organized at Indianapolis yesterday. They are engaged in preparing an address to the colored voters of the United States. They will urge colored voters to vote the democratic ticket.

Bernhardt scorns the cholera microbe as an absurd illusion. She has offered to go to any one of the so-called cholera stricken towns and give a benefit in favor of the alleged victims of cholera.

As good as new—that's the condition of liver, stomach and bowels, when Dr. Pierce's Pleasant Pellets have done their work. It's a work that isn't finished when you've stopped taking them, either. It's lasting. They cure, as well as relieve. And it's all done so mildly and gently! There's none of the violence that went with the old-time pill. One tiny, sugar-coated Pellet's a gentle laxative—three to four act as a cathartic. Sick Headache, Bilious Headache, Constipation, Indigestion, Bilious Attacks, and all derangements of the stomach and bowels, are prevented, relieved and cured. As a Liver Pill, they're unequalled. They're purely vegetable, perfectly harmless—the smallest, cheapest, and easiest to take. They're the cheapest pill you can buy, because they're guaranteed to give satisfaction, or your money is returned.

You only pay for the good you get. Can you ask more? That's the peculiar plan all Dr. Pierce's medicines are sold on.

The Portland Exposition.

The Union Pacific system will extend to its patrons the usual reduced rates on round trip tickets which will include admission to the exposition, selling on Mondays, Tuesdays and Fridays of each week. Detailed information can be had by applying to E. E. LYLE, agent.

Too Much of a Risk.

It is not unusual for colds contracted in the fall to hang on all winter. In such cases catarrh or chronic bronchitis are almost sure to result. A fifty cent bottle of Chamberlain's Cough Remedy will cure any cold. Can you afford to risk so much for so small an amount? This remedy is intended especially for colds and croup and can always be depended upon. For sale by Blakeley & Houghton, druggists.

WINANS

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large eighty lots, broad streets and alleys, good soil, pure cold water and shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort and for all Oregon, being the nearest town to Mt. Hood. It is also unparalleled as a manufacturing center, being the natural center for 100 square miles of the best cedar and fir timber, possessing millions of horse power in its dashing streams and waterfalls, easily harnessed. Where cheap motive power exists, there the manufacturing will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment.
