#### WASCO KEEPS THE LEAD. The Rural Northwest Tells of the Fruit Exhibit in Portland.

The exhibition of fruits at the Portland exposition is, perhaps, a matter of more importance to the fruit-growing interests of the state than is generally Wood carvings on the benches and thought. Its importance is found in railings at the north veranda at The the impression which it makes upon the when our princely host Leland, of the Umatilla show that visitors this season strangers who visit the exposition. The palatial Portland, will furnish you with number of eastern people who visit the exposition during the time that it is open is large. Every day a considerable number are found carefully looking octopus. All other business has comview of the Regulator dock, illustrating jars. These visitors, when they return to their homes in the east, will have a for lower berths and \$1 for uppers, is by applying to its makers. We can wheat by the all water route from The good deal to say about what they saw my motto. here, and the opinions which they form and express about our fruit will have a good deal of weight in forming a general opinson in the east upon that point. Salem next January. In this connection it was a wise and useful movement on the part of the management of the exposition in employing Secretary Sargent, of the Oregon state horticultural society, to look after the horticultural exhibit, and call The Dalles boys still continue to make the attention of strangers to its merits. In a broad way the exhibit is creditable to the state. And yet it must be said that its merits lie chiefly in the Wasco county exhibit and in the collection of bottled fruit prepared by Secretary Allen, of the state board of horticulture. Nearly 1.300 plates of fruit, besides some 500 museum jars, together with chat yesterday Rev. J. Whisler, the the mass of grapes used in the construction of the grape cottage, make a large showing. If Marion, Washington, Yamhill, Lane, Josephine, Benton and Jackson counties had come in with displays, as they undoubtedly would have done if fruit had not proved such a failure in Western Oregon this year, it is A suit was brought to resover property hard to imagine where room would sold in pawn, and judgment was ren- have been found for all the fruit. Umatilla county might have made a display, but failed to appreciate its oppor-

tunity. The fruits best represented in the display were grapes and apples.
