A Cholera Scare.

A reported outbreak of cholera at Helmetta, N. J., created much excitement in that vicinity. Investigation showed that the disease was not cholera but a violent dysentery, which is almost as severe and dangerous as cholera. Mr. Walter Willard, a prominent merchant of Jamesburg, two miles from Helmetta, says Chamberlain's Colic, Cholera and Diarrhea Remedy has given great satisfaction in the most severe cases of dysentery. It is certainly one of the best things ever made." For sale by Blakeley & Houghton, druggists.

The conductor of a passenger train near Saline City, Ind., a few days ago by his presence of mind averted a horrible accident. The train was standing at the station, when by some mistake a freight train was backed upon the main track. The engineer on the passenger train, to avert a collision, reversed his train and with the fireman jumped. The collision was slight, but the passenger engine soon was running at a frightful speed. The conductor, noting the desertion of the engineer and fireman, at the risk of his life clambered over the tender and closed the wide opened throttle, stopping the train just in time to prevent a collision with an incoming train.—Philadelphia Ledger.

Two neighbors named Morin and Rhaeume have each eight children, four sons and four daughters. Rhaeume's four sons have married Morin's four daughters, and Morin's four sons have married the daughters of Rhaeume.-Yankee Blade.
