The Quickest Way to Cure a Cold.
 Do you wish to know the quickest way to cure a cold? We will tell you. To cure a cold quickly, it must be treated before the cold has become settled in the system. The first symptoms of a cold is a dry, loud cough and sneezing. The cough is soon followed by watery expectoration and the sneezing by a profuse watery discharge from the nose. In severe cases there is a thin white coating on the tongue. What to do? It is only necessary to take Chamberlain's Cough Remedy in double doses every hour. That will greatly lessen the severity of the cold and in many cases will effectually counteract it, and cure what would have been a severe cold within one or two days time. Try it and be convinced 25 and 50 cent bottles for sale by Blakeley & Houghton, druggists.

American Cholera.
 From the DAILY REVUEILLE, Whatcom, Wash.
 "T. C. Burnett, the democratic candidate for sheriff, was taken violently ill at Clearbrook. He had all the symptoms of Asiatic cholera, and for an hour or two it was feared he would die. They finally gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which revived him until a physician arrived." That is precisely what the manufacturers of that medicine recommend for cholera. Send for a physician but give their medicine until the physician arrives. If cholera becomes prevalent in this country next summer this preparation will be in great demand because it can always be depended upon. For sale by Blakeley & Houghton, druggists.

JUDGE NELSON'S DECISION.
 Speaking of patent medicines, the Judge says: "I wish to deal fairly and honorably with all, and when I find an article that will do what it is recommended to do, I am not ashamed to say so. I am acquainted with Dr. Vanderpool (having been treated by him for cancer), and have used his blood medicine, known as the S. B. Headache and Liver Cure, and while I am 75 years old, and have used many pills and other remedies for the blood, liver and kidneys, I must say that for a kidney tonic in Bright's disease, and as an alternative for the blood, or to correct the action of the stomach and bowels, it is a very superior remedy, and beats anything I ever tried."

Gave Her Ring to Uncle Sam for Liberty.
 A young lady, a gold ring and a United States patent letter box were the central figures in a little sidewalk drama enacted at the corner of Joyner and Chelsea streets, Charlestown, which was witnessed by a large and enthusiastic audience.
 A young lady in Charlestown went to drop a letter in one of the new patent letter boxes, with the tilting lever, and being evidently used to the old style of box, where it is sometimes necessary, in order that the letter be really dropped to the bottom to push it through the slot with the finger, she followed the missive with her hand to be sure that it was safely deposited. Then, satisfied that her sacred epistle was all right, she started to withdraw her hand, when the ring on her finger held her hand firmly, and all her efforts to withdraw it proved in vain.
 Some suggested that she try to pull her finger out of the ring, but the attempt proved unsuccessful. Then a few excited persons favored breaking the box with an ax, when a bright policeman appeared upon the scene, and viewing the situation, immediately went for a file with which to file the ring off the finger. It proved impossible to get the file into the box, and finally after half an hour the hand was extricated minus the ring.—Boston Cor. Chicago Herald.

How Much a Horse Eats.
 A horse consumes every year the produce of six acres in oats and hay, and may be said to consume one-sixth of what he cultivates. If a horse is kept hungry for any length of time, he will afterward devour his food so voraciously as to distend his stomach and endanger an attack of staggers.—London Tit-Bits.
