The Quickest Way to Cure a Cold. Do you wish to know the quickest way to cure a cold? We will tell you. To cure a cold quickly, it must be treated before the cold has become settled in the system. The first symptoms of a cold is a dry, loud cough and sneezing. The cough is soon followed by watery expectoration and the sneezing by a profuse watery discharge from the nose. In severe cases there is a thin white coating on the tongue. What to do? It is only necessary to take Chamberlain's Cough Remedy in double does every hour.
That will greatly lessen the severity of
the cold and in many cases will effectually counteract it, and cure what would have been a severe cold within one or two days time. Try it and be convinced 25 and 50 cent bottles for sale by

#### "American Cholera.

From the DAILY REVELLE, Whatcom, Wash, "T. C. Burnett, the democratic candi date for sheriff, was taken violently if at Clearbrook. He had all the symptoms of Asiatic cholera, and for an hour or two it was feared he would die. The finally gave him a dose of Chamberlain' Colic, Cholera and Diarrhoea Remedy which revived him until a physician ar rived." That is precisely what th rived." That is precisely what the manufacturers of that medicine recommend for choiers. Send for a physician but give their medicine until the physician arrives. If cholera become prevalent in this country next summer this preparation will be in great demand because it can always be depended upon.
