American Cholera.

From the DAILY REVELLER, Whitefish, Wash. "T. C. Burnett, the democratic candidate for sheriff, was taken violently ill at Clearbrook. He had all the symptoms of Asiatic cholera, and for an hour or two it was feared he would die. They finally gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which revived him until a physician arrived. That is precisely what the manufacturers of that medicine recommend for cholera. Send for a physician but give their medicine until the physician arrives. If cholera become prevalent in this country next summer this preparation will be in great demand because it can always be depended upon. For sale by Blakeley & Houghton, druggists.

The Quickest Way to Cure a Cold.

Do you wish to know the quickest way to cure a cold? We will tell you. To cure a cold quickly, it must be treated before the cold has become settled in the system. The first symptoms of a cold is a dry, loud cough and sneezing. The cough is soon followed by watery expectoration and the sneezing by a profuse watery discharge from the nose. In severe cases there is a thin white coating on the tongue. What to do? It is only necessary to take Chamberlain's Cough Remedy in double doses every hour. That will greatly lessen the severity of the cold and in many cases will effectually counteract it, and cure what would have been a severe cold within one or two days time. Try it and be convinced. 25 and 50 cent bottles for sale by Blakeley & Houghton, druggists.

New Style of Coon Hunting.

The inhabitants of the mountains west of this place are great coon hunters. Some nights ago Bill Benchoff and Colonel Yingling started out with half a dozen dogs and two boys to carry the pine torches. A coon was raised on the east side of the Monterey, and the dogs chased it down through a deep and rough ravine and up a rocky spur on the west. After a climb of an hour Benchoff and Yingling at last came up with the dogs. They had run the coon into a tree and were snarling and barking around underneath. The boys whirled the torches and Benchoff banged away at what he thought was the coon, but no animal tumbled.

Yingling in the meantime had been tearing paper and trying to ignite a match, but it was damp and would only splutter. Benchoff was deriding him when suddenly a great ball of fire illuminated space. Yingling had succeeded in igniting his match and was emptying a roman candle into the tree.

The first ball struck a branch and burst and the second hit the coon "plumb center." Its fur caught fire and with a yell it came rolling down among the angry dogs. The third ball revealed two more coons in the tree, and Benchoff's rifle dropped one, while Yingling, with the last ball in the candle, hit the limb on which the third coon clung with pitiful terror, and it lost its hold and tumbled into the mouths of the waiting dogs.

They got six more coons that night with the help of Yingling's candles, and now the colonel regularly shoots the romans and Benchoff shoots the gun. They are the most successful coon hunters in all the region.—Gettysburg (Pa.) Sentinel.
