The Quickest Way to Cure a Cold. Do you wish to know the quickest way to cure a cold? We will tell you. To cure a cold quickly, it must be treated before the cold has become settled in the system. The first symptoms of a cold is a dry, loud cough and sneezing. The cough is soon followed by watery expectoration and the sneezing by a profuse watery discharge from the nose. In severe cases there is a thin white coating on the togen. on the tongue. What to do? It is only necessary to take Chamberlain's Cough Remedy in double does every hour. That will greatly lessen the severity of the cold and in many cases will effectu-ally counteract it, and cure what would have been a severe cold within one or two days time. Try it and be convinced 25 and 50 cent bottles for sale by Blakeley & Hongliton, druggists.

the Grand Central, because she would understand that however much I might run around town after her. I must come there at last. There I found her, very comfortably looking over the list of things we were to buy, and not at all disconcerted at the incident of our separation. She even laughed at my disturbance. Then and there I tucked a dollar bill inside her glove, and told her that if we got separated again to remem-ber that we would meet at the Central in time for the 5 p. m. train. Then we went on our shopping tour.

"Some of the officers of the road say that the thing to do is to wait for the one that's left at the City Hall station, and for her to take the very next train. But suppose she had taken a South ferry train and landed at the Battery? With no money, how would she ever have got to the Grand Central again? If two separated people think just alike in such an emergency, all well and good; but how often will they do so? If one has all his wits about him and thinks out exactly the correct thing to do, is it sure that the other one will? There are possibilities for heartrending disturbances in a case like this. The only way to do is to fix on a place and hour to meet again. and then see that your wife carries some money with her."-New York Tribune
