Used up.
It's the only way to use some things, but it's a bad condition for a man or woman. It means disease. Take Dr. Pierce's Golden Medical Discovery. That means health. It invigorates the liver and kidneys, purifies the blood and cleanses and renews the whole system. For all scrofulous humors and blood-taints, and even consumption (or lung-scrofula), if taken in time, it's a positive remedy. It's a *guaranteed* one. In all diseases of the liver, blood and lungs, it's warranted to benefit or cure, or the money is refunded. No other medicine of its class is sold, through druggists, on this peculiar plan. You can judge why. You only pay for the good you get.

WINANS

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large eighty lots, broad streets and alleys, good soil, pure cold water and shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort and for all Oregon, being the nearest town to Mt. Hood. It is also unparalleled as a manufacturing center, being the natural center for 100 square miles of the best cedar and fir timber, possessing millions of horse power in its dashing streams and waterfalls, easily harnessed. Where cheap motive power exists, there the manufacturing will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment.
