To Our Friends and Patrons.

FE HAVE rather neglected our Advertising of late, not because we had nothing to sell; but we had nothing especially new to offer, and preferred to wait until we could say something of interest. We are, and have been for some time, busily engaged in placing our orders for Spring and. Summer Goods and feel justified in announcing that we shall have the FINEST ASSORTMENT and the BEST GOODS in all our lines that has ever been seen in The Dalles. We have secured some genuine novelties in the Dry Goods Department, and the ladies will certainly consult their best interests by deferring their purchases until after their arrival of which we shall give you due notice. Keep both eyes on this space and we will certainly surprise you, not only with the goods, but the prices at which we shall sell them. We mean business and propose to have your patronage, if LOW PRICES and the BEST GOODS will accomplish it. Yours Respectfully,
