An Interesting Law Suit.

A law suit over a meteorite has stirred the usually tranquil life of Kircheng in Wurtemberg. Some time ago every body there was startled one night by a loud report, and a ball of fire was seen to fall near the Rennecker sawmill.

Tubingen professors had it shipped to the university, after having agreed to pay \$500 for it if it proved to be a duly tested and accredited meteorite.

Something New in Canoe Racing.

In the last couple of seasons we have noted the growth of the war canoe, propelled by paddle entirely, and the sport had by a few races with them has created something of an interest in paddling races generally, which were giving away very extensively to the sailing events.

Swallowed an Oyster Shell.

The Rev. W. D. Shea made a narrow escape in Macon Wednesday night. He went to a restaurant for some oysters and swallowed a piece of shell, which very near cost him his life.

Felled by Dead Geese.

While a Ketchinson (Kan.) policeman was standing under an electric light the other night, he was startled by some object striking him a heavy blow on the head and then fall at his feet.

Dug Up a Fortune.

While digging a foundation for a house in Wichita, Kan., recently, it is reported that \$35,000 in gold were exhumed. The money is said to have been the fortune of the grandfather of the present owner of the ground, who is supposed to have hidden it.

THE DALLES,

Wasco County, Oregon,

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY. It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market. The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS. The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH. It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
