It is given out as a "straight tip" that Henry Villard is going into Cleveland's cabinet as secretary of the interior, and T. F. Oaks will retire from presidency of the Northern-Pacific and ex-Governor Meriman will be Mr. Oaks successor.

The proposed congressional investigation in Washington into the expenditures of the American Panama canal committee has excited a keen interest in Bogots and Panama. If pushed, it is expected that sensational revelations will be made concerning the operations of several of the promoters of the Nicaragua canal enterprise.

The Alabama house has passed a bill prohibiting the sale or giving away or otherwise disposing of cigarettes, cigarette tobacco and cigarette paper, in Alabama. It imposes a fine of not less than \$10 or more than \$50, and imprisonment of sentence to hard labor for not less than 30 days, for violation of its provisions. The bill also prohibits the smoking of cigarettes in any public place.

**SENATE BILL No. 50.**  
 Concluded from Page 1.

any money, as above provided, pay the same over to the state treasurer and take a receipt therefor, which shall specify the title of the case in which paid, and name of the party paying it, or the name of the applicant for admission in case paid by such applicant.

Sec. 8. It shall be the duty of the several clerks of the circuit and county courts in the state, at the time any suit action or proceeding for the enforcement of private rights, including appeals and writs of review, but not proceedings in probate matters, is instituted to exact from the plaintiff, or moving party in such suit, action or proceeding, the sum of five dollars, and no complaint, transcript upon appeal, or petition for a writ of review shall be filed therein until such payment is made. Such clerk shall also, at the time of filing any answer, demurrer or motion in any such action, suit or proceeding, upon the part of a defendant, exact from such defendant the sum of three dollars, which paper shall not be deemed filed unless such payment is so made. And such clerk shall also exact from such plaintiff or moving party, at the time such action, suit or proceeding comes on for final trial or hearing upon question of fact or law involved therein, unless referred to a referee, and except upon demurrer, an additional sum of twelve dollars, which shall be paid before any such trial shall be had therein. And every such clerk, upon receiving any money as provided in this section, shall immediately pay the same over to the county treasurer of his county, and take his receipt therefor, which shall specify the title of the case and name of the party paying the same. The amounts so paid by parties to appeals, actions, suits and proceedings shall constitute disbursements in the case and be taxable as such in favor of the party entitled to costs therein, as in other cases of taxation of disbursements.

Section 9. The several sums required to be paid by parties litigant to the respective officials in appeals, actions, suits and proceedings as provided in the two preceding sections of this act, are intended to be in lieu of the fees such parties have heretofore been required to pay said officials in such matters, and also in lieu of the trial fee such parties were prior to the adoption of this act required by law to pay; and no such fee or trial fees last referred to shall hereafter be exacted from such parties in such cases. In all other cases, however, in which fees are allowed to county clerks, recorder of conveyances, clerks of the circuit and county courts, and sheriffs in civil matters, including fees in probate proceedings, it shall be the duty of the said officials, respectively, to exact and receive from the parties required by law to pay the same, and the service for which the fee is allowed, shall not be performed until such fee is paid to the official required to perform the same, which fee shall, upon the day it is paid to the official, be paid over by him to the county treasurer of his county and a receipt taken therefor, which shall specify the kind of service performed and the name of the person from whom received. And none of the said officials shall be allowed any monthly payments of his salary until he exhibits to the auditing board all receipts of money so received, and if it be ascertained at any time that such official has received any money for such fees not so accounted for, and done service without exacting the fee therefor, as above mentioned, or neglected his duty in any other respect, the payment of his salary shall be withheld until the matter is fully rectified.

Section 10. In case of disagreement between any of the officials referred to

in the last preceding section and the county court of his county concerning the audit, allowance or payment of any item claimed by such official for the performance of any service, and the determination thereof by such court is unsatisfactory to the official, the latter shall have the right to have the matter reviewed by the judge of the circuit court for such county in the same manner as near as practicable, as the taxation of costs by the clerks of the circuit court are reviewed by the judge thereof. The decision of the said judge, however, shall not be final where the amount of the claim is fifty dollars, or the question in controversy involves pecuniary interests to that amount; in such case, such decision shall be appealable to the supreme court, and it shall be heard in that tribunal upon the findings of fact and law made by the circuit judge.

Section 11. Whenever any county clerk, recorder of conveyances, clerk of the circuit or county court herein referred to, or sheriff, appoints a deputy, it shall be the duty of such official to report the same to the county court of his county, which court shall enter in its minutes the said report. And if the said court is of the opinion that the services, or any part thereof, of such deputy should be paid by the county, it shall fix the amount thereof to be paid by the county, by an order duly entered, specifying the same, which amount shall be so paid by the county in the same manner as other county charges are paid, as before mentioned.

Copyright 1892  
 She poulticed her feet and poulticed her feet, And blathered her back till 'twas smothering and red, Tired tonics, pills, pain-killers and solves, (Through grandma declared it was nothing but "nerves") And the poor woman thought she must certainly die. Till "Favorite Prescription" she happened to try. No wonder its praises so loudly they speak, She grew better at once and was well in a week.

The torturing pains and distressing nervousness which accompany, at times, certain forms of "female weakness," yield like magic to Dr. Pierce's Favorite Prescription. It is purely vegetable, perfectly harmless, and adapted to the delicate organization of woman. It allays and subdues the nervous symptoms and relieves the pain accompanying functional and organic troubles.

It's a legitimate medicine—an invigorating, restorative tonic, a soothing and strengthening nerve, and a positive remedy for "female weakness" and ailments. All functional disturbances, irregularities, and derangements are cured by it. There's nothing like it in the way it acts—there's nothing like it in the way it's sold. It's guaranteed to give satisfaction in every case, or the money paid for it is promptly refunded.

Read the guarantee on the wrapper. You lose nothing if it doesn't help you—but it will.

**WINANS**

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large, slightly lots, broad streets and alleys, good soil, pure cold water and shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort and for all Oregon, being the nearest town to Mt. Hood. It is also unparalleled as a manufacturing center, being the natural center for 150 square miles of the best cedar and fir timber, possessing millions of horse power in its dashing streams and water-falls, easily harnessed. Where cheap motive power exists, there the manufacturing will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment.
