THE TREATY IS DEAD

At Least There Will Be No Action This Session.

THIS IS RELUCTANTLY CONCEDED

The Senate's Action Taken as an Indication That the Treaty Will Be Shelved.

WASHINGTON, Feb. 25.—The Hawaiian treaty is thought to be dead for this session. This is reluctantly conceded even by its friends. The action of the senate today in refusing to go into executive session, though the action doubtless had some reference to Hanchett's circuit-judge nomination, is also accepted as conclusive indication that the treaty would be shelved for the remainder of the session.

More Session Laws.

SALEM, Feb. 25.—Senator Gates' fish and game bill (No. 86,) was filed by the governor. It punishes the use of sink boxes, batteries, swivel or pivot guns, either from shore or boat or raft; blinds (except 100 feet from the shore of lakes) hunting between sundown and sunrise.

Subscriptions for McKinley.

TOLEDO, Ohio, Feb. 25.—The Fourth Ward Republican Club, at a meeting last night, adopted a resolution to take up a popular subscription for Governor McKinley and appointed a committee to circulate it.

WATERTOWN, N. Y., Feb. 25.—The Lincoln League Club of this city has received numerous letters from various cities, from admirers of McKinley, each enclosing a dollar to be added to the fund started by the club to be sent to Mr. McKinley's trustees.

Another Place for Mr. Harrison.

NEW YORK, Feb. 26.—Considerable correspondence has been going on between President Harper, of Chicago university, and John D. Rockefeller, concerning the best methods of promoting the growth of the university. From a hint dropped by the millionaire, it is believed a chair of constitutional law will be endowed in connection with Chicago university, the salary to be \$25,000 per year, and that President Harrison will be invited to accept the position, and to lecture at least twice a week to students of the Chicago educational institution.

Democrats Will Resort to Cloture.

WASHINGTON, Feb. 26.—After denouncing the republicans for two years the democrats are to go back on their record and resort to cloture. They will confine it to the sundry civil bill for the present, because it is upon that bill the filibusterers are blocking legislation.

Miners Will Liberate Convicts.

NASHVILLE, Tenn., Feb. 26.—A convict war again threatens to rend Tennessee. Governor Turney announced his intention of withdrawing the standing army. The miners last night held a meeting and decided to liberate the 600 convicts in the valley and fire the stockades.

A Fatal Fight.

SAN FRANCISCO, Feb. 25.—William Miller, the pugilist, died this morning from concussion of the brain, received during his fight with Cal Hawkins at the California Athletic club that night. The charge of murder has been lodged against Hawkins and the five others arrested.

Wanamaker Lost Little.

PHILADELPHIA, Feb. 25.—John Wanamaker's brokers sold him out of his entire holding of Reading stock last Saturday, and the net loss of the postmaster-general by the trade was about \$900.

Mr. Albert Favorite, of Arkansas City, Kan., wishes to give our readers the benefit of his experience with colds. He says: "I contracted a cold early last spring that settled on my lungs, and had hardly recovered from it when I caught another, that hung on all summer and left me with a hacking cough which I thought I never would get rid of. I had used Chamberlain's Cough Remedy some fourteen years ago with much success, and concluded to try it again. When I got through with one bottle my cough had left me, and I have not suffered with a cough or cold since. I have recommended it to others, and all speak well of it." 50 cent bottles for sale by Blakeley & Houghton, Druggists.

Joseph V. Dory, of Warsaw, Ill., was troubled with rheumatism and tried a number of different remedies, but says none of them seemed to do him any good; but finally he got hold of one that speedily cured him. He was much pleased with it, and felt sure that others similarly afflicted would like to know what the remedy was that cured him. He states for the benefit of the public that it is called Chamberlain's Pain Balm. For sale by Blakeley & Houghton, Druggists.
