WINANS

HE NEW TOWN has been platted on the old camp ground, at the Forks and
Falls of Hood river, with large sightly lots, broad streets and alleys, good soil,
pure cold water and shade in profusion, perfect drainage, delightful mountain
climate, the central attraction as a mountain summer resort and for all Oregon,
being the nearest town to Mt. Hood. It is also unparalled as a manufacturing
center, being the natural center for 150 square miles of the best cedar and fir
timber, possessing millions of horse power in its dashing streams and waterfalls, easily harnessed. Where cheap motive power exists, there the manufactories will center, surrounded by soil and climate that cannot be excelled
anywhere for fruit and agriculture, and with transportation stready assured
you will find this the place to make a perfect home or a paying investment
