Those eager and inexperienced gold-hunters who have been wasting their time and money panning over the sandbars of the Columbia, might have saved both had they been willing to profit by the experience of others. For nearly thirty years unsuccessful efforts have been made to separate in profitable quantity the extremely fine gold from the sands of the Snake and Columbia rivers. There was no reason to suppose that this could be accomplished any more easily in a new place than in an old one by any of the methods that had repeatedly proved unequal to the task. When a new process shall be invented that will save the flour gold in paying quantities, not only this new field, but hundreds of miles of sandbars on both rivers will become valuable mining ground, but until that time the eager gold-hunters of Umatilla would save time, money and patience by pursuing their usual vocations unaltered by visions of sudden wealth gleaned from the sand dunes of the Columbia.—Oregonian.

A LITTLE MISCELLANY.

THERE is danger of a rabbit plague in Kansas similar to that of Australia. Blood travels from the heart through the arteries at the rate of a mile in seven and one-third minutes—twelve feet in one second.

SCOTLAND is going to make a special exhibit at the Chicago fair of a hundred stalwart Highlanders in full national costume. They will be picked for size and strength, and not for good looks. After the fair, or before its close if the sensation of their appearance grows weak, they will make a tour of this country.

KANSAS society made an interesting innovation in anniversary celebrations at Hutchinson recently by celebrating a diamond wedding, from which the bridegroom was absent because of an untimely death. The bride was still alive, however, and capable of enjoying a good thing, so the anniversary was duly and becomingly celebrated.

Persons who are subject to attacks of bilious colic can almost invariably tell, by their feelings, when to expect an attack. If Chamberlain's Colic, Cholera and Diarrhoea Remedy is taken as soon as these symptoms appear, they can ward off the disease. Such persons should always keep the Remedy at hand, ready for immediate use when needed. Two or three doses of it at the right time will save them much suffering. For sale by Blakeley and Houghton, druggists.

NANCY PHILLIPS, a North Carolina woman, 82 years of age, has a loom in her house on which, to keep herself warm during the recent cold spell, she wove fifteen yards of cloth.

Making Glad the Waste (Waist) Places.

"That's what I call making glad the waist places," said Smithson, as he put his arm around a lady's waist. But Lilly won't care much for this show of affection if Smithson doesn't get rid of that disagreeable catarrh of his. Won't somebody tell him that Dr. Sage's Catarrh Remedy will cure him.

By its mild, soothing, antiseptic, cleansing and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Chronic Catarrh in the Head, as thousands can testify. "Cold in the Head" is cured with a few applications. Catarrhal Headache is relieved and cured as if by magic.

In perfect faith, the makers of Dr. Sage's Catarrh Remedy—the World's Dispensary Medical Association, of Buffalo, N. Y., offer to pay \$500 to any one suffering from Chronic Catarrh in the Head whom they cannot cure.

Now, if the conditions were reversed—if they asked you to pay \$500 for a positive cure you might hesitate. Here are reputable men, with years of honorable dealing; thousands of dollars and a great name back of them.

They believe in themselves. Isn't it worth a trial? Isn't any trial preferable to catarrh?

Despite some complaint among the office-seekers at the alleged deliberation with which the new president is moving in the matter of changes, it is nevertheless true that Mr. Cleveland has made more appointments up to the present time than he had up to a corresponding date when he was president eight years ago.

The more Chamberlain's Cough Remedy is used the better it is liked. We know of no other remedy that always gives satisfaction. It is good when you first catch cold. It is good when your cough is seated and your lungs are sore. It is good in any kind of a cough. We have sold twenty-five dozen of it and every bottle has given satisfaction. WINANS
THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large slightly lots, broad streets and alleys, good soil, pure cold water and shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort and for all Oregon, being the nearest town to Mt. Hood. It is also unparalleled as a manufacturing center, being the natural center for 150 square miles of the best cedar and fir timber, possessing millions of horse power in its dashing streams and waterfalls, easily harnessed. Where cheap motive power exists, there the manufacturers will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment
