KNIGHTS OF THE URN.

Sissy Men with a Genius for Doyleys, China and Velvet Rugs.

As a contrast to the masculine girl and her swagger it might be pertinent to present the sissy man and his affections. You see this rare exotic in full bloom at those essentially feminine ceremonies known as five-o'clock teas, where nothing sweetened and tied up with a bow furnishes the repast, where soft light filters through rose-hued shades over fair faces and aestheticism revels in daintiness galore.

He knows, according to the New York Sun, more about the code of candy giving and the etiquette of flowers than he does about the constitution of the United States.

He has his sweet apartments, where the foot sinks noiselessly into velvet rugs and the walls are draped with pre-Raphaelite etchings. He gives his dear little teas, where the china is exquisite, the appointments elaborate and beautiful. He is up on doilies, and knows all about linen and silver. He persuades his married divinity to preside at the urn and gives himself up to the perfect ecstasy of adoring and serving her.

And when he began telling how he had a dinner served for four every night whether he invited any guests or not, and that there was the same order of service and quite as elaborate a menu when he dined quite alone as when his most honored guests were at the feast, because that was the proper way to train servants and manage a household, the old lady said it positively made her feel profane, like going to an Ingersoll lecture and having the Bible ridiculed, it was so opposed to all Christian customs and practices.

Patent medicines differ—One has reasonableness, another has not. One has reputation—another has not. One has confidence, born of success, another has only "hopes." Don't take it for granted that all patent medicines are alike. They are not. Let the years of uninterrupted success and the tens of thousands of cured and happy men and women, place Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription on the side of the comparison to which they belong. And there isn't a state or territory, no—nor hardly a country in the world, whether its people realize it or not, but have men and women in them that're happier because of their discovery and their effects. Think of this in health. Think of it in sickness. And then think whether you can afford to make the trial if the makers can afford to take the risk to give your money back, as they do, if they do not benefit or cure you.

GERMAN dentists now make false teeth of paper. They are said to be a very natural imitation of the real article and last for years.

Now Try This. It will cost you nothing and will surely do you good, if you have a cough, cold, or any trouble with throat, chest or lungs. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to give relief, or money will be paid back. Sufferers from la grippe found it just the thing and under its use had a speedy and thorough recovery. Try a sample bottle at our expense, and learn for yourself just how good a thing it is. Trial bottles free at Snipes & Kinersly's drug store. Large size 50c and \$1.

Good Job Printing. If you have your job printing done at THE CHRONICLE you will have the advantage of having it done with the most modern and approved type, with which we keep continually supplied. All jobs under the direct supervision of one of the most successful and artistic printers in the Northwest.

The more Chamberlain's Cough Remedy is used the better it is liked. We know of no other remedy that always gives satisfaction. It is good when you first catch cold. It is good when your cough is seated and your lungs are sore. It is good in any kind of a cough. We have sold twenty-five dozen of it and every bottle has given satisfaction. Stedman & Friedman, druggists, Minnesota Lake, Minn. 50 cent bottles for sale by Blakeley & Houghton, druggists.

Should the Sandwich Islands really become part of the United States they will be the most picturesque feature of the great republic. They deserve the title "Flowerly Kingdom" perhaps even better than Japan, since flowers bloom on the islands all the year round, and are peculiarly beloved by all the inhabitants.

HAVE YOU TRIED DRUGS AND FAILED TO FIND A CURE FOR RHEUMATISM, LUMBAGO, SCIATICA, KIDNEY, LIVER AND BLADDER COMPLAINTS, DYSPEPSIA, LAME-BACK, &c.

DR. SANDEN'S ELECTRIC BELT With Electro Magnetic Suspensory will cure without medicine all the above troubles. Those who suffer from Nervous Debility, Losses, Brains, Lost Manhood, Nervousness, Sleeplessness, Poor Memory, all Female Complaints, and general ill health, the effects of abuse, excesses, worry or exposure, will find relief and recovery in our marvelous suspension which requires but a trial to convince the most skeptical. In ignorance of facts you may have unduly tried the most of nerve force and vitality which is electricity—causing your weakness or lack of force. If you replace into your system the elements thus drained, which are required for vigorous strength, you will remove the cause and find vigor and vigor will follow at once. This is our plan and treatment, and it guarantees a cure or refund money.

Our 900 page book "THREE CLASSES OF MEN," should be read by every young, middle-aged and old man, out of health, feeble. Dr. Sanden's Electric Belt is no experiment, as we have restored thousands to robust health and vigor, after all other treatments failed, as can be shown by hundreds of cases throughout this and other States, who were slowly losing life, and from many of whom we have strong letters bearing testimony to their recovery after using our Belt.

WE HAVE CURED THESE—WE CAN CURE YOU! GENERAL DEBILITY CURED. Portland, Oregon, September 20, 1892. Dr. A. T. Sanden, Dear Sir—Before I used your belt I was troubled with loss of vigor, vital weakness, and almost a complete loss of power. I would get up with a very tired feeling, bones aching, etc., since using your belt I have had a new lease of life. I now enjoy life better than I have for ten years past. I have the strongest confidence in your treatment. You can publish this statement, also have others write or call on me. Truly yours, E. A. BOWEN, 25 and 26 1/2 St. N.

RHEUMATISM AND LAMENESS CURED. Portland, Oregon, April 15, 1892. Dr. A. T. Sanden, Dear Sir—I got one of your belts two weeks ago for rheumatism, from which I suffered for several years. For the past six months I had not been able to work. Your belt has placed me in almost perfect health in the two weeks I have used it. I can walk comfortably, and feel like a new man generally. M. E. HUGHES, Proprietor International Hotel.

NERVOUS DEBILITY—LOSS OF VIGOR. Tacoma, Wash., October 24, 1892. Dr. A. T. Sanden, Dear Sir—I have been using your Electric Belt for general nervous debility, and to-day feel better than I have for five years. I have gained in vigor daily, and am strong in every part. Yours gratefully, CHAS. LUETRA.

THE DR. SANDEN ELECTRIC BELT is a complete galvanic battery, made into a belt so as to be easily worn during work or street, and it gives soothing, prolonged currents which are instantly felt throughout all weak parts, or we forfeit \$5,000. It has an Improved Electric Suspensory, the greatest boon ever given weak men, and we warrant it to cure any of the above weaknesses, and to enlarge shrunken limbs, or parts, or to make flaccid. They are graded in strength to meet all stages of weakness in young, middle-aged or old men, and will cure the worst cases in two or three months. Address for particulars: SANDEN ELECTRIC CO., 472 First St., PORTLAND, OREGON.
