A Philosophical Family. nella has pimples, and sores in the head, om humors internal her nose has grown red; e's a boil on her neek that's as big as a bell, t in other respects she is doing quite well.

And pa has dyspepsia, malaria and gout, His hands with salt-rhoum are all broken out; He is prone to rhoumatics that makes his legs swell, But in other-respects he is doing quite well.

And ma has night-sweats and a troublesome cough,
That all of our doctors can't see n to drive off;
She wakes every aight and coughs quite a spel'
But in other respects she is doing quite well.

There is nothing like philosophy to help one bear the ills of life, but in the case of this family what is most needed is a good supply of Dr. Pierce's Golden Medical Discovery. It would cleanse Amelia's bad blood, cure pa's ailments, and check ma's cough. The "Golden Medical Discovery," by its action on the liver, cleanses the system of impurities. It cures humors, ulcers, boils, scrofula, salt-rheum, erysipelas, and all kinds of sores and swellings. The only guarantend blood-purifier.

Driven to Desperation.

It is said that in a western theater recently a man suddenly rose in his seat and complained to the audience that, on account of the thing worn on the head of the woman in front of him, he was unable to witness the performance. And, as the story goes, the man's daring was rewarded. The woman rose in all her majesty, looked at the man with an expression that seemed to say: "Oh! I wish I were Corbett," and swept out of the house in great anger.

Specimen Cases.

S. H. Clifford, New Cassel, Wis., was troubled with neuralgia and rheuma- Store of I. C. Nickelsen, 2d St. The Dalles tism, his stomach was disordered, his liver was affected to an alarming degree, appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him. Edwd Shepherd, Harrisburg, Ill., had a running sore on his leg of eight years' standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Speaker, Catawba, O., had five large fever sores on his leg, doctors said he was incurable. One bottle Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold at Snipes & Kinersly's drug store.

Persons who are subject to attacks of bilious colic can almost invariably tell, by their feelings, when to expect an attack. If Chamberlain's Colic, Cholera and Diarrhoa Remedy is taken as soon as these symptoms appear, they can ward off the disease. Such persons 4 should always keep the Remedy at hand, ready for immediate use when needed. Two or three doses of it at the right time will save them much suffering. For sale by Blakeley and Houghton, druggists.

Bogus Bermudas.

As many famous vineyards of Europe are incapable of producing in any on year the amount of wine bearing their lable sold annually in the United States, so the Bermudas grow only a small percentage of the "Bermuda potatoes" sold in this country. It often happens, indeed, that the so-called Bermuda potatoes are small and poor potatoes of native growth, which have been treated with acids in order that they may look like the imported tubers. Now Try This.

It will cost you nothing and will surely do you good, if you have a cough, cold, or any trouble with throat, chest or lungs. My wife was confined to her ped for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her house work. E. H. Johnson, of C. J. The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon. 1 situation is unsurpassed.
