## IF YOU WANT BARGAINS WE ARE WITH YOU.

Having secured a BIG STOCK OF GOODS for the SPRING AND SUMMER trade, we are prepared to give some eye-opening Bargains to the people of THE DALLES.

We have always given honest value, but never before have we been in such a good position as now. Why, we can SELL goods at what some of our competitors can BUY them at, and still make money.

Our long experience in General Merchandise puts us on the right track to buy just what our customers want, and WE KNOW A BARGAIN WHEN WE SEE IT.

It requires no head to see the Bargains in Boots, Shoes, Hats, Caps, Gents' Furnishing Goods, Dress Goods, Gingham, Shirtings, Prints, Canton Cloths, Brandenbergs, Satin Glorias, Sateens, Hosiery, Etc.

You won't go wrong when you buy from US, because we have just one way of doing business and that is, to give a dollar in good quality for a dollar of any man's money. Call at 390, 392, 394 Second St.

### Shearing Too Soon.

One of the mistakes that sheepmen make is shearing too early in the season. This is a very backward year. There is so much snow in the mountains that every breeze coming over them has frost in its breath. The air is chilly even in the day time and down in the valleys, while up in the hills it is still colder and at the night inclement. The desire to get wool into the market so as to secure good figures before the glut comes on, and often the dire necessity to raise some money, induce the sheepmen to clip too soon. The consequence is that the sheep are injured and many of them perish.—Democrat.

Talking of patent medicines—you know the old prejudice. And the doctors—some of them are between you and us. They would like you to think that what's cured thousands won't cure you. You'd believe in patent medicines if they didn't profess to cure everything—and so, between the experiments of doctors, and the experiments of patent medicines that are sold only because there's money in the "stuff," you lose faith in everything. And you can't always tell the prescription that cures by what you read in the papers. So, perhaps, there's no better way to sell a remedy, than to tell the truth about it and take the risk of its doing just what it professes to do. That's what the World's Dispensary Medical Association, of Buffalo, N. Y., does with Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription. If they don't do what their makers say they'll do—you get your money back.

If the efforts of the Medford company to put the carp of Lost river on the market are successful it will open a new source of wealth in Klamath county.

My wife was confined to her bed for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her house work. E. H. Johnson, of C. J.
