West-bound passengers last night told  
of seeing a horse and shattered buggy at

Chicago to see the fair.

Capt. Short of the Dalles City, pro-  
poses to try to run the Dalles City up  
the rapids at the locks during high  
water this year. If he is successful it  
will prove that the Columbia is naviga-  
ble at the Cascades during high water  
anyway.

The river is rising slowly. The D. P.  
& A. N. Co.'s lower wharf is under water  
to the depth of three feet and five-tenths.  
The rise in the last four days has been  
only one foot and one-tenth. The cool  
weather has had a tendency to check  
the melting of the snow in the mount-  
ains, which has had a telling effect on  
the rise in the river.

the ball was a continued whirl of pretty  
costumes and merry fans. The evening

#### Convention of Christian Endeavor.

PORTLAND, April 28.

We were a little late in arriving at the  
church to attend the sun rise prayer  
meeting, but a hundred Christian En-  
deavorers were there on time (6:30) and  
the consecration was very manifest.  
At 9 o'clock a service of song was en-  
joyed by all. From 9:20 to 10 reports of  
county and denominational secretaries.  
Then followed reports of the societies  
of the state; two items from each society  
namely, number of members in the so-  
ciety and any lines of special work taken  
up by the society; The Dalles First Con-  
gregational society reported a total mem-  
bership of 54 with no line of special work.  
I wish your readers could have heard  
some of the reports, they were extremely  
interesting.

At 11:15 the convention sermon by  
Rev. I. D. Driver D.D. of Eugene whose  
subject, "Inspiration of the Scriptures"  
was very helpful. His arguments were  
along the line of a legal standpoint and  
were unanswerable.

At noon a fine lunch was served in  
the lecture room of the church, at which  
your delegates endeavored to do ample  
justice.

At 1:30 denominational parliaments  
at which time the several denominations  
met in separate parts of the church for  
consultation and the election of a de-  
nominational secretary. We Congrega-  
tionists elected Rev. C. H. Curtis, of  
Portland for our secretary.

At 2:15 the symposium on the pledge  
was given, dividing it in the following  
divisions.

- Our willing service.
- Prayer and Bible reading.
- Supporting my own church.
- My duty in every prayer meeting.
- Remembering the prayer meeting  
in my absence.

From 2:50 o'clock to 3:50 was called  
the missionary hour, and we started  
with the home missions of the great  
west; visiting Hawaii and learning  
something of the social and religious  
life of the people. We then listened to  
Mr. Joe Hawk of Quon Tong, China;  
Then Mrs. Akerman told us of her trip  
of 90,000 miles in the interest of the  
Womans Christian Temperance Union,  
the coming home by way of New York.  
Rev. W. B. Floyd gave us a talk on C.  
E. evangelistic work and city missions.  
Then the Chinamen sang for us "Tell  
me the old old story," which was very  
nicely rendered. A DELEGATE.

#### Square Up.

Charles L. Richmond, having disposed  
of his grocery and livery stable business  
in The Dalles, has placed all accounts in  
the hands of L. A. Esteb for collection.  
All parties are required to make settle-  
ment within thirty days.

#### Medal Contest.

The Demorest silver medal contest  
will take place at the Court house Tues-  
day evening, May 2d at 8 o'clock. The  
admission is 25 cents, and the proceeds  
will be for the reading room. The fol-  
lowing programme will be given:

- Singing,  
Reading of Scriptures.  
Prayer.  
No. 1..... "A Vivid Illustration."  
No. 2..... "A Plan for the Fatherland."  
ECHO SONG..... "Class of Boys and Girls."  
No. 3..... "The New Fashioned Man."  
No. 4..... "Pictures From Life."  
No. 5..... "The Martyred Mother."  
No. 6..... "Young American's War-Cry."  
Song..... "The Old Black Cat."  
No. 7..... "What License Legalizes."  
No. 8..... "A Terrible Responsibility."  
Song..... "Alki Club."

#### THROTTLE AND CAB.

Meaty Morsels of News and Gossip for  
Trammen.

Hello there boss, you have my job.  
Who comes next for a position in  
Umatilla?

Hugh Farmer accepted a job hostling  
in The Dalles today.

The boys are having a great game of  
chase and catch for jobs.

Engine 546 has been laid in for re-  
pairs. She is now ready for duty.

Haslam and Harry are lucky in catch-  
ing the helper. Harry says the helper  
can't be beat.

Geo. Avery, who has been in Umatilla  
hostling for about a year, is now firing  
the 548 for Sherman.

W. H. Congdon accepts a passenger  
run, as seniority dislocated him and sends  
him from Umatilla.

Mike Nolan accepted a job in Uma-  
tilla hostling, as seniority deprives him  
of his position in The Dalles.

Pap Power who has been under the  
weather for some time, has taken Mont-  
gomery's run while Monty is East.

Montgomery has taken a leave of ab-  
sence, and Hugh Farmer is doing the  
reverse lever act in his place, "the  
merry Farmer boy."

Joslyn and Douglas doubled the road  
so nicely last Friday, they seem to think  
if they were given half a show they  
could do the same thing every day.

Joe Reedy is now running the 443  
since Haslam took the 384 for helper.  
Joe says that he is satisfied, for he can  
pull more with the 443 than any ordi-  
nary 1400.

Foster loses his run with Mr. Sher-  
man, whom he has been firing for a long  
time. Sherman and Foster got along  
splendidly together, and worked agree-  
ably to each others interests.

Jake Florin has taken a leave of ab-  
sence to attend the world's fair. He  
passed through The Dalles Sunday.  
Jake is held in high esteem by the boys,  
and it is hoped he will not have occasion  
to regret the trip.

The 520 came in with her happy little  
crew Saturday evening from Viento.  
The boys say they enjoy coming to the  
city of The Dalles once or twice a month  
so they can keep track of the improve-  
ments of the city, as the growth of the  
city is astonishing.

#### Mining Interest in Grant County.

Mr. C. S. Miller of Monument gave  
THE CHRONICLE office a pleasant call to-  
day. The mining interests of Grant  
county are more interesting than for  
years past. New discoveries are being  
made and developments are proving  
very satisfactory in the different sec-  
tions. With the immense body of snow  
in the mountains this year it will en-  
able the placer mines to be worked with  
more vigor and better paying results  
than formerly. The quartz discoveries  
are more encouraging as the different  
ledges are penetrated, and in the near  
future will be the center of attraction.

#### Wamie News.

WAMIE, April 29, 1893.

The business outlook for this year is  
exceptionally good.

The telephone people have all of their  
business definitely arranged and expect  
to have the line ready for use in July.

The good people of Wamie have orga-  
nized a union Sunday school. The  
school meets every Sunday at 10 a. m.

Martin Wing, the patriarch saw mill  
man, has been slashing away for two  
weeks or more. He makes good lumber  
and has one of the most picturesque old  
mills in christendom, a regular "artist's  
delight."

The Luse & Woodcock saw mill will  
start up in a few days. This enterpris-  
ing firm had their entire plant destroyed  
by fire last year, but they have come up  
Phoenix-like with a larger and better mill  
than ever.

I would like very much to be able to  
describe all of the grand scenes, the  
great material wonders, and that almost  
limitless menagerie of wild animals be-  
tween here and Mt. Hood. A short  
letter, such as this is intended to be,  
will only answer as a hint.

Our enterprising fellow townsman,  
Mr. S. A. Broyles, is making prepara-  
tions to open a first-class county hotel  
here. This is an establishment very  
much needed. Hereafter tourists to  
that great "wonderland," including all  
of that "untamed" region between here  
and Mt. Hood, will find at the Hotel  
Wamie a delightful and safe headquar-  
ters.

#### LOST.
