Having secured a BIG STOCK OF GOODS for the SPRING AND SUMMER trade, we are prepared to give some eye-opening Bargains to the people of THE DALLES.

We have always given honest value, but never before have we been in such a good position as now. Why, we can SELL goods at what some of our competitors can BUY them at, and still make money.

Our long experience in General Merchandise puts us on the right track to buy just what our customers want, and WE KNOW A BARGAIN WHEN WE SEE IT.

It requires no head to see the Bargains in Boots, Shoes, Hats, Caps, Gents' Furnishing Goods, Dress Goods, Gingham, Shirtings, Prints, Canton Cloths, Brandenbergs, Satin Glorias, Sateens, Hosiery, Etc.

You won't go wrong when you buy from US, because we have just one way of doing business and that is, to give a dollar in good quality for a dollar of any man's money. Call at 390, 392, 394 Second St.

**Cost of a Billiard Ball.**  
The cost of a billiard ball is curiously estimated by a Cairo author. In the judgment of honest American travelers the tasks of dazzling whiteness are answerable for the following: 160 deaths that must be counted as murder or manslaughter; 30 deaths incurred during the journey from the interior to the coast; 10 "deaths by law," and 10 accidents during the elephant hunt. "Add to this 15 thefts, any amount of cheating, drunkenness and acts of brutality and cruelty." A medium-sized, faultless task yields two or occasionally three billiard balls, and every ball means, it is stated, at least one murder or one great crime.

**Tea Culture in Florida.**  
Mrs. Sumner, of Florida, raises her own tea, and treats her guests to cups of the home-grown article, which is pronounced much superior to the tea of commerce. It is said that the finest varieties will not stand a sea voyage, and never get further than Russia, while Mrs. Sumner's plants furnish it for her cutting at a fraction of the price set for the eastern product, \$15 a pound. So rapid is the growth of the bushes here that they are cut every four years, while in China this is done only once in seven years.

**Bucklen's Arnica Salve.**  
The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Snipes & Kinersly.

**Fortune Favored Him.**  
Thomas McKinney of Spokane forged a note for \$29.10 and sold it to John Hargrove for \$20. The forgery was detected, and a policeman sent out to arrest McKinney, who had meantime hit the faro table and run his \$20 up to \$200. McKinney got wind of the policeman's quest, dodged him, bought back the check for its face value and could not be prosecuted. Fortune frequently saves men from the penitentiary.

**Karl's Clover Root,** the new blood purifier, gives freshness and clearness to the complexion and cures constipation. 25c., 50c. and \$1.00. Sold by Snipes & Kinersly, druggists.

**FOR SALE.**  
One lot, with a good dwelling and out-buildings situated west of the Academy grounds, and fronting Liberty street on the east, is for sale at a bargain. Terms easy. Apply at this office for information. Title perfect.

We'll write it down till everybody sees it  
Till everybody is sick of seeing it  
Till everybody knows it without seeing it—  
That Dr. Sage's Catarrh Remedy cures the worst cases of chronic catarrh in the head, catarrhal headache, and "cold in the head." In perfect faith, its makers, the World's Dispensary Medical Association of Buffalo, N. Y., offers to pay \$500 to any one suffering from chronic catarrh in the head whom they cannot cure.  
Now if the conditions were reversed—they asked you to pay \$500 for a positive you might hesitate. Here are reputable men, with years of honorable dealing; thousands of dollars and a great name back of them, and they say—"We can cure you because we've cured thousands of others like you—if we can't we will pay you \$500 for the knowledge that there's one whom we can't cure."  
They believe in themselves. Isn't it worth a trial? Isn't any trial preferable to catarrh?  
An Ant's Brain.  
The creature which Solomon advised the sluggard to consult in regard to a bit of information concerning the art of "hustling" has a brain larger in proportion to the size of its body than any other known being. Writers on that branch of entomology declare that ants are not only endowed with a high quality of instinct, but that they display reasoning ability and good judgment, as well as powers of reflection and calculation.  
My wife was confined to her bed for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her house work. E. H. Johnson, of C. J. Knutson & Co., Kensington, Minn. 50 cent bottles for sale by Blakeley & Houghton.

**On the Bargain Counter.**  
"Old bachelors and old maids a specialty" is part of a sign displayed before a matrimonial agency in Kansas City.  
It Should Be in Every House  
J. B. Wilson, 371 Clay St., Sharpsburg, Pa., says he will not be without Dr. King's New Discovery for consumption, coughs and colds, that it cured his wife who was threatened with pneumonia after an attack of "la grippe," when various other remedies and several physicians had done her no good. Robert Barber, of Cooksport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for lung trouble. Nothing like it. Try it. Free trial bottles at Snipes & Kinersly's. Large bottles, 50c. and \$1.00.
