Glass Eyes and Their Makers.

In Thuringia there is a whole district which is dependent for its support on the manufacture of artificial eyes; husbands, wives and children all working together at the same means of livelihood. And yet, though these simple German village people turn out their produce by the dozen, no two eyes are ever the same. No artificial eye has its exact fellow either in color or in size in the whole world. The method of the manufacture is not a very complicated art. There are firstly glass plates, which are blown by gas-jets, then molded by hand into the form of an oval-shaped cup. Then there is the coloring of the eyes, which is effected by the means of tracing with fine needles, the tints being left to the taste of the individual worker, though the scope of their taste is necessarily limited to grays and blues, and browns and blacks, which colors are assorted together before being eventually dispatched to their various destinations.

La Grippe.

During the prevalence of the grippe the past seasons it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady. This remedy seems to have a peculiar power in effecting rapid cures not only in cases of la grippe, but in all diseases of throat, chest and lungs, and has cured cases of asthma and hay fever of long standing. Try it and be convinced. It won't disappoint. Free trial bottles at Snipes & Kinersly's drug store.

The Richmond (Va.) city council has appropriated \$4000 to defray the expenses of the reinstatement of the remains of Jefferson Davis, May 31.

Strength and Health.

If you are not feeling strong and healthy, try Electric Bitters. If "la grippe" has left you weak and weary, use Electric Bitters. This remedy acts directly on liver, stomach and kidneys, gently aiding those organs to perform their functions. If you are afflicted with sick headache, you will find speedy and permanent relief by taking Electric Bitters. One trial will convince you that this is the remedy you need. Large bottles only 50c. at Snipes & Kinersly's drug store.

The African explorer Oswald is dead. He was the companion of David Livingstone during the latter's explorations in Africa.

There is nothing I have ever used for muscular rheumatism that gives me as much relief as Chamberlain's Pain Balm does. I have been using it for about two years—four bottles in all—as occasion required, and always keep a bottle of it in my home. I believe I know a good thing when I get hold of it, and Pain Balm is the best liniment I have ever met with. W. B. Denny, dairyman, New Lexington, Ohio. 50 cent bottles for sale by Blakeley & Houghton.

We'll write it down till everybody sees it

Till everybody is sick of seeing it
Till everybody knows it without seeing it—

That Dr. Sage's Catarrh Remedy cures the worst cases of chronic catarrh in the head, catarrhal headache, and "cold in the head." In perfect faith, its makers, the World's Dispensary Medical Association of Buffalo, N. Y., offers to pay \$500 to any one suffering from chronic catarrh in the head whom they cannot cure.

Now if the conditions were reversed—they asked you to pay \$500 for a positive you might hesitate. Here are reputable men, with years of honorable dealing; thousands of dollars and a great name back of them, and they say—"We can cure you because we've cured thousands of others like you—if we can't we will pay you \$500 for the knowledge that there's one whom we can't cure." They believe in themselves. Isn't it worth a trial? Isn't any trial preferable to catarrh?

A Critical Case.

One of our city physicians recently received the following letter from a country physician (?): "Dear dock, I have a pashunt whose phisical sciences shows that the windpipe was ulcerated of, and his lung have dropped into his stomach. He is unable to swallow and I fear his stomach tube is gone. I have giv hym every thing under heaven without effect. his father is walty Omorable and influensial. he is an active member of the M. E. church and god nos. I don't want to loose hym. what shall I due. ans buy return male. yours in neede."

The promptness and certainty of its cures have made Chamberlain's Cough Remedy famous. It is intended especially for coughs, colds, croup and whooping coughs, and is the most effectual remedy known for these diseases. Mr. C. B. Main of Union City, Pa., says: "I have a great sale on Chamberlain's Cough Remedy. I warrant every bottle and have never heard of one failing to give entire satisfaction." 50 cent bottles for sale by Blakeley & Houghton, druggists.

Read Cicero.

Cardinal Newman was a master in the art of writing English. In one of his published letters, he expressed the following opinion: "As to patterns for imitation, the only master of style I ever had is Cicero; I think I owe a great deal to him, and, so far as I know, to no one else." Bishop Wordsworth, of St. Andrews, another masterly writer of English, says in his autobiography: "So far as I have derived benefit from anyone in the matter of composition, it has been from Cicero. I do not underate the advantage of a combined study of authors such as Addison, Swift, Bolingbroke, Johnson, Burke, Hume, Gibbon, Macaulay, and I may add Horace Walpole; but I must repeat that I got more good, not only in writing Latin but for writing English, from reading Cicero, and learning him by heart, than from any other source."

While Mr. T. J. Richey of Altona, Mo., was traveling in Kansas he was taken violently ill with cholera morbus. He called at a drug store to get some medicine and the druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy so highly he concluded to try it. The result was immediate relief, and a few doses cured him completely. It is made for bowel complaint and nothing else. It never fails. For sale by Blakeley & Houghton, druggists. 1m
