We'll write it down till everybody sees it  
Till everybody is sick of seeing it  
Till everybody knows it without seeing it—

That Dr. Sage's Catarrh Remedy cures the worst cases of chronic catarrh in the head, catarrhal headache, and "cold in the head." In perfect faith, its makers, the World's Dispensary Medical Association of Buffalo, N. Y., offers to pay \$500 to any one suffering from chronic catarrh in the head whom they cannot cure.

Now if the conditions were reversed—they asked you to pay \$500 for a positive you might hesitate. Here are reputable men, with years of honorable dealing; thousands of dollars and a great name back of them, and they say—"We can cure you because we've cured thousands of others like you—if we can't we will pay you \$500 for the knowledge that there's one whom we can't cure." They believe in themselves. Isn't it worth a trial? Isn't any trial preferable to catarrh?

**Restoring Life by Electricity.**  
Electricity has been successfully applied to the resuscitation of apparently drowned persons. A man in Scotland, who remained below water for two minutes, although believed to be dead, was restored to animation by two applications of the electrical current passed between the nape of the neck and the heart.

While Mr. T. J. Richey of Altona, Mo., was traveling in Kansas he was taken violently ill with cholera morbus. He called at a drug store to get some medicine and the druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy so highly he concluded to try it. The result was immediate relief, and a few doses cured him completely. It is made for bowel complaint and nothing else. It never fails. For sale by Blakeley & Houghton, druggists. In

A few weeks ago the newspaper correspondents told us that the bullet-proof cloth which had lately been invented was about to make a revolution in the art of war, but experts are beginning to throw doubt upon it. The cloth will turn any bullet that has yet been tried upon it from a range of 300 yards, although the Lebel rifle has not yet been experimented with. It is claimed, however, that as the majority of gunshot bullet wounds are in the head or legs, the coat would only afford a partial protection at best, and it is further objected that its weight and warmth would prove a serious objection to its use in the field.

**A Distant Laundry.**  
At least one man in Brooklyn sends his linen abroad to be laundered, and he isn't a man of fashion either, but merely a successful merchant. If he is not disturbed by the customs authorities the system need not be very expensive, as linen packs small, and even Queen Victoria pays her laundresses absurdly low wages. The European laundress is a steady-going person, not ambitious of bettering her position, and remarkably tenacious of memory where the names and faces of customers are concerned. American naval officers encounter at Villefranche, in the Mediterranean, French laundresses who have done up the linen of the same men for years, and an officer returning to that sea after long absence finds that his laundress remembers him.

**Strength and Health.**  
If you are not feeling strong and healthy, try Electric Bitters. If "la grippe" has left you weak and weary, use Electric Bitters. This remedy acts directly on liver, stomach and kidneys, gently aiding those organs to perform their functions. If you are afflicted with sick headache, you will find speedy and permanent relief by taking Electric Bitters. One trial will convince you that this is the remedy you need. Large bottles only 50c. at Snipes & Kinersly's drug store.

**DR. SANDEN'S ELECTRIC BELT**  
Our 900 page book "THREE CLASSES OF MEN," should be read by every young, middle-aged and old man, sent sealed, from Dr. Sanden's Electric Belt Co. as we have restored thousands to robust health and vision, after all other treatments had failed, as can be shown by hundreds of cases throughout this and other States, who would gladly testify, and from many of whom we have secured the following testimonies to their recovery after using our Belt.  
**WE HAVE CURED THESE—WE CAN CURE YOU!**  
**GENERAL DEBILITY CURED.**  
San Francisco, Cal., August 14, 1902.  
Dr. A. T. Sanden, Dear Sir—Before I used your belt I was troubled with lost vigor, vital weakness, and almost a complete loss of power. I would get up with a very tired feeling, bones aching, etc., since using your belt I have had a new lease of life. I now enjoy life better than I have for ten years past. I have the most confidence in your treatment. You can publish this statement, also have others write or call on me. Truly yours, H. A. BOWEN, 26 and 28 Turk St., Tacoma, Wash., October 24, 1902.  
**RHEUMATISM AND LAMENESS CURED.**  
Dr. A. T. Sanden, Dear Sir—I got one of your belts two weeks ago for rheumatism, from which I suffered for several years. For the past six months I had not been able to work. Your belt has placed me in almost perfect health in the two weeks I have used it. I can walk comfortably, and feel like a new man generally. Sincerely yours, H. H. HUBBEN, Proprietor International Hotel, Tacoma, Wash., October 24, 1902.  
**NERVOUS DEBILITY—LOSS OF VIGOR.**  
Dr. A. T. Sanden, Dear Sir—I have been using your Electric Belt for general nervous debility, and to-day feel better than I have for five years. I have gained in vigor daily, and am strong in every part. Yours gratefully, CHAS. LUKETA, Everett, Wash., June 28, 1902.  
**THE DR. SANDEN ELECTRIC BELT**  
is a complete galvanic battery, made into a belt so as to be easily worn during work or street, and it gives nothing, prolonged currents which are instantly felt throughout all weak parts, or the entire system. It is an improved Electric Suspensory, the greatest boon ever given weak men, and no treatment can be more effective. They are graded in strength to meet all stages of weakness in young, middle-aged or old men, and will cure the worst cases in two or three months. Address for full information,
