State of the River.
The river at 3 o'clock this afternoon is 35.2 feet above zero, and has risen one-tenth since 9 o'clock this morning, which is really on a stand. Reports from the upper river indicate that the last few cool days have had the effect to check the rise, and we may look for it receding for a few days, but as this is only past the middle of May, higher water must be expected between this and the 25th of next month.
Shiloh's cure, the Great Cough and Croup Cure, is for sale by Snipes & Kinnerly. Pocket size contains twenty-five doses, only 25c. Children love it. Sold by Snipes & Kinnerly.

The City Election.
The time for the city election "draws on apace," and so far but little interest has been manifested in a public way. There will be a mayor to elect, two councilmen, recorder, marshal and water commissioners. From present appearances the chief fight will be over the position of recorder, as half a dozen names have been mentioned for the position. No interest has yet arisen over the other offices, but warmer times are expected after the convention.

A Mischiefous Bird.
The fruit trees of this state seem to be prey for many enemies. The latest is in the form of a bird. A Polk county correspondent to a Salem paper says that Commissioner Simpson has informed him that the growers of that section have a new fruit pest to deal with in the shape of a small bird, which picks the entire blossoms from the trees, seemingly because of lack of anything else to do. The bird is a new arrival, and it is not known to what species it belongs; but it is certain that in a short time they can make havoc in an orchard. He thinks they should be exterminated now, while their numbers are yet small compared with what they will be in future years if let alone.

Money to Loan.
I have money to loan on short time loans.
Geo. W. Rowland.

Bass' Cheeks.
Bass' cheeks is the very latest gastronomic novelty. They do not figure on cafe menus yet and are found only at the most gorgeous and extravagant private dinners. The dish comes very high because it takes about a ton of bass to furnish a small dish of cheeks. The cheek of a bass is a tiny nugget of the tenderest and most delicately flavored meat, found in the lower part of the head on either side. This is lifted out and the remainder of the bass is tossed away. One Philadelphia hotel man has achieved a reputation in that city and New York by his preparation of bass' cheeks, and every time he receives a big order he creates a corner in the bass market.

DR. SANDEN'S ELECTRIC BELT.

Dr. Sanden's Electric Belt is so expensively prepared that it is almost impossible to make it at a price that can be shown by hundreds of cases throughout this and other States, who would gladly testify, and from many of whom we have strong letters bearing testimony to their recovery after using our belt.
WE HAVE CURED THESE--WE CAN CURE YOU!
GENERAL DEBILITY CURED.
Dr. A. T. Sanden, Dear Sir--Before I used your belt I was troubled with lost vigor, weak knees, and almost a complete loss of power. I would get up with a very tired feeling, bones aching, etc. Since using your belt I have had a new lease of life. I now enjoy life better than I have for ten years past. I have the almost complete confidence in your treatment. You can publish this statement, also have others write or call on me. Truly yours, H. A. BOWEN, 25 and 26 Turk St., Portland, Oregon, April 15, 1892.
RHEUMATISM AND LAMENESS CURED.
Dr. A. T. Sanden, Dear Sir--I got one of your belts two weeks ago for rheumatism, from which I suffered for several years. For the past six months I had not been able to work. Your belt has placed me in almost perfect health in the two weeks I have used it. I can walk comfortably, and feel like a new man especially. Yours truly, JAMES A. HOUGHTON, Proprietor International Hotel.
NERVOUS DEBILITY--LOSS OF VOICE.
Dr. A. T. Sanden, Dear Sir--I have been using your Electric Belt for general nervous debility, and to-day I feel better than I have for five years. I have gained in vigor daily, and am strong in every part. Yours gratefully, CHAS. LUETKA.
