Queer Lottery Prizes.

A letter from Cairo says that Egypt has decided to make a gift of the mummies found in upper Egypt, and now in the Ghiseh museum, to the different museums in London, Paris, Berlin, Vienna, St. Petersburg and Rome. The mummies are to be divided into six lots and drawn for by lots. This is the first time that mummies have been used as prizes in a lottery, and it is difficult to see how puritanic England can reconcile itself to such a gambling deal as this, although, no doubt, sooner than lose the grab, she will find some means to "chase the devil around the stump." The other countries, of course, will have no hesitation in accepting Egypt's magnificent gift.

Guaranteed Cure.

We authorize our advertised druggist to sell Dr. King's New Discovery for consumption, coughs and colds upon this condition. If you are afflicted with a cough, cold or any lung, throat or chest trouble, and will use this remedy as directed, giving it a fair trial, and experience no benefit, you may return the bottle and have your money refunded. We could not make this offer did we not know that Dr. King's New Discovery could be relied on. It never disappoints. Trial bottles free at Snipes & Kinersly's drug store. Large size 50c and \$1.

UNDERTAKERS are unknown in Japan. When a person dies there, the body is encased and buried by a member of the family.

The promptness and certainty of its cures have made Chamberlain's Cough Remedy famous. It is intended especially for coughs, colds, croup and whooping coughs, and is the most effectual remedy known for these diseases. Mr. C. B. Main of Union City, Pa., says: "I have a great sale on Chamberlain's Cough Remedy. I warrant every bottle and have never heard of one failing to give entire satisfaction." 50 cent bottles for sale by Blakeley & Houghton, druggists.

It is estimated that the standing pine in Ashland county, Wis., will measure about 10,000,000,000 feet.

A Leader.

Since its first introduction, electric bitters has gained rapidly in popular favor, until now it is clearly in the lead among pure medicinal tonics and alteratives—containing nothing which permits its use as a beverage or intoxicant, it is recognized as the best and purest medicine for all ailments of stomach, liver or kidneys. It will cure sick headache, indigestion, constipation and drive malaria from the system. Satisfaction guaranteed with each bottle or the money will be refunded. Price only 50c. per bottle. Sold by Snipes & Kinersly.

If the circus is to be taken seriously, what an era of dullness will follow. In a certain southern state a bill has been introduced into the legislature by the provisions of which circus companies are to be forbidden, in that state, to exhibit pictures of feats which they do not perform.

Bucklen's Arnica Salve. The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Snipes & Kinersly.

An Extraordinary Offer.

To All Wanting Employment—We want live, energetic and capable agents in every county in the United States and Canada, to sell a patent article of

great merit, on its merits. An article having a large sale, paying over 100 per cent. profit, having no competition, and on which the agent is protected in the exclusive sale of a deed given for each and every county he may secure from us. With all these advantages to our agents and the fact that it is an article that can be sold to every house owner, it might not be necessary to make an "extraordinary offer" to secure good agents at once, but we have concluded to make it show, not only our confidence in the merits of our invention, but in its salability by any agent that will handle it with energy. Our agents now at work are making from \$150 to \$600 a month clear and this fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give our business a thirty days' trial and fail to clear at least \$100 in this time, above all expenses, can return all goods unsold to us and we will refund the money paid for them. Any agent or general agent who would like ten or more counties and work them through sub-agents for ninety days and fail to clear at least \$750 above all expenses, can return all unsold and get their money back. No other employer or agents ever dared to make such offers, nor would we if we did not know that we have agents now making more than double the amount we guaranteed; and but two sales a day would give a profit of over \$125 a month, and that one of our agents took eighteen orders in one day. Our large descriptive circulars explain our offer fully, and these we wish to send to everyone out of employment who will send us three one cent stamps for postage. Send at once and secure the agency in time for the boom, and go to work on the terms named in our extraordinary offer. We would like to have the address of all the agents, sewing machine solicitors and carpenters in the country, and ask any reader of this paper who reads this offer, to send us at once the name and address of all such they know. Address at once, or you will lose the best chance ever offered to those out of employment to make money.

THE DALLES,

Wasco County, Oregon,

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these
