CHANGE OF OFFICERS

Secretary of the Navy Herbert Issues an Important Order.

GHERRARDI ASSIGNED SHORE DUTY
Philadelphia to Come to the Coast in Place of the San Francisco Which Remains East.

WASHINGTON, May 20.—Secretary Herbert today signed orders making a number of important naval changes. Admiral Gherardi was ordered to haul down his flag on the Philadelphia the 31st inst. and assume command of the Brooklyn navy yard. The same day Admiral Walker will lower his flag on the Chicago and go on a leave for three months. Admiral Benham will transfer his flag from the Newark to the San Francisco and assume command of the North Atlantic squadron. Commodore Erben, on being relieved of the command of the New York navy-yard by Admiral Gherardi, will raise his flag on the Chicago and prepare to go to the European station, which he will command. The Philadelphia will go to the Pacific ocean in the place of the San Francisco, which will become the flagship of the North Atlantic squadron. No vessel nor commandant has as yet been selected for the South Atlantic. The Charleston will go to the Pacific and the Baltimore to the Asiatic station, leaving the San Francisco, Miantonomoh, Atlanta, Kearsarge and Vesuvius to constitute the home squadron. The command of the South Atlantic station will be given to some officer now on shore duty, and it is believed Admiral Walker will be given command of the Mare island yard when his leave expires.

MAY NOT BE DEAD.
Although a Physician Made Out Her Death Certificate.
SEATTLE, May 21.—The body of Mrs. Catherine Castillo, who was pronounced dead this morning by a physician, is arousing considerable interest, because of the belief of the husband and friends that she is not dead, but only in a trance. She was found in bed by the side of her husband this morning at 3 o'clock without a pulse and to all appearances dead. She had been suffering with a relapse from pneumonia, and the physicians signed a death certificate to that effect. The husband, however, thinks that after that he saw his wife open and shut her eyes. Spiritualists have interested themselves, and declare the woman is alive. This belief has been strengthened by the fact that a brother of the woman was unconscious years ago for 30 hours.

Eddy Chosen Vice-President.
CHICAGO, May 20.—Walter Williams, of Columbia, Mo., was elected president of the National Editorial Association today, while Colonel J. B. Eddy, of Pendleton, formerly editor of the Tribune, was elected first vice-president. The fight for Eddy was made by Oregon, Washington, Idaho, California, Montana and Nevada delegations. California wanted the presidency, but failed to make a combination for it. Colonel Eddy will respond to a toast at the closing banquet Tuesday evening.

The Spokane River Falling.
SPOKANE, Wash., May 21.—The Spokane river fell half an inch today. Men who have made a close study of the stream expect an additional rise of three feet, though long continued cold weather would prevent this. Sensational reports of damage and impending danger are almost wholly false. The river would have to rise 9 or 10 feet to shut off the electric lights.

ROSLYN BANK ROBBERS.
After a Short Chase They Were Recaptured.
ELLENBURGH, Wash., May 21.—At 3 o'clock this afternoon a bold break for freedom was made by George McCarthy and Ras Lewis, alias "Diamond Dick" the Roslyn bank robbers, who were confined in Ellensburg jail awaiting trial, which takes place tomorrow. The time chosen for the escape was when they were given the freedom of the jail corridors after dinner. They made quick work during the short period, drilling a hole alongside the screen window grating on the west side of the building. A short double-pointed crowbar was used for the purpose of effecting the escape, and as the wall is built of brick and very thin, it readily yielded, and a hole large enough for a man to crawl through was soon made. They then scaled the fence and secured arms which were concealed under the side walk. Their faces were blacked, but they were detected as they were running up an alley on the north of the jail, when Ed Grady and Mose

THE RELIGIOUS SERVICE.
Eighteen ordained women ministers sat on the speakers' platform at the religious service held this morning by the world's congress of representative women. The women who took an active part in the services were: The Revs. Mrs. Tupper Wilkes, of St. Paul; Mrs. Mary Safford, of Sioux City; Mrs. Florence Kollock, of Pasadena, Cal.; and Mrs. May Wright Sewall. The Rev. Jeannette Olmstead invoked the divine blessing, and the Rev. Emily Gordon recited the hymn, "Rise Up, Rise Up, O Woman." The Rev. Florence Kollock offered prayer and delivered a short address. The sermon was delivered by the Rev. Anna Shaw. Other female divines also participated in the services.

There is nothing I have ever used for muscular rheumatism that gives me as much relief as Chamberlain's Pain Balm does. I have been using it for about two years—four bottles in all—as occasion required, and always keep a bottle of it in my home. I believe I know a good thing when I get hold of it, and Pain Balm is the best liniment I have ever met with. W. B. Denny, dairyman, New Lexington, Ohio. 50 cent bottles for sale by Blakeley & Houghton.

The Northwestern Guaranty Loan Company of Minneapolis has gone into the hands of a receiver, the Minneapolis Trust Company having been named by the court as such receiver. No correct estimate as to the condition of affairs is made.

While Mr. T. J. Richey of Altona, Mo., was traveling in Kansas he was taken violently ill with cholera morbus. He called at a drug store to get some medicine and the druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy so highly he concluded to try it. The result was immediate relief, and a few doses cured him completely. It is made for bowel complaint and nothing else. It never fails. For sale by Blakeley & Houghton, druggists, 1m

The Bradstreet Mercantile Agency reports thirty failures in the coast states and territories for last week, as compared with sixteen for the previous week and thirteen for the corresponding week of 1892.

Bowman, two citizens, shot at them. The fire was returned by McCarthy, who shot Billy Hayes, son of the depot policeman, the shot taking effect in the right arm. Bowman's shot struck McCarthy's wrist, and Lewis was shot in the back, but the wounds were slight. Six shots were exchanged, when the robbers ran into the residence of J. C. Clymer, an engineer on the Northern Pacific. Here they were recaptured by the police. Their trial comes off tomorrow.

Cycling Association.
O. S. Bunnell, of Philadelphia, has been selected to fill the most responsible position of the National Cycling Association—that of official referee. Mr. Bunnell is well known to the cycling public, having been prominently connected with the League of American Wheelmen's work in Pennsylvania for several years. He also holds responsible positions in other wheelmen's leagues, but will resign them all so that he may in the future devote his entire time to the National Cycling Association. Upon him, more than on any of the other officials, depends the success or failure of the new association. It is already acknowledged that no better selection than Mr. Bunnell could have been made.

The Women's Congress.
CHICAGO, May 21.—The attendance at the various meetings of the women's congress was very large this afternoon. The greatest interest was in the religious meeting at which Mrs. E. Grannis, president of the Social Parity League, presided and delivered a short address. The "labor experience meeting" did not have a large attendance, but the speeches were very interesting. Among the speakers were Clara Faltz, of San Francisco.

ELECTRIC FLASHES.

A freight rate war is on between the Union Pacific and Southern Pacific. Saginaw, Mich., suffered a disastrous fire last week, the losses being estimated at \$1,500,000, with insurance of \$700,000. Officers of the Brooklyn tabernacle met the creditors of the church and came to an agreement which is satisfactory to both.

Advices from Japan say that the volcano Bandaisan has become active and that widespread disaster has been caused by its eruptions.

Parnell's widow has applied for a court mandate to compel the trustees to distribute the funds due under the O'Shea settlement. The court ordered the money paid into court, the applicant to receive her share forthwith.

The will of the late General Manuel Gonzales, ex-president of Mexico, gives none of his vast estates to his wife, from whom he had been separated for several years. She attempted to secure a reconciliation with her husband before he died, but all her entreaties were unheeded by him, and he would not even permit her to visit him during his last illness. She has employed able attorneys to contest the will in her behalf.

Treasurer of the Exposition.
A. F. Seeberger, the treasurer of the Columbian exposition, is a man whose honesty and responsibility are not to be doubted. He was born in Wetlar, Germany in 1837 and when quite young came to America with his parents, who settled on a farm near Wooster, Ohio. He was with a Wooster dry goods house for nine years. At the end of that time he went to Iowa and opened a hardware store and is at present in the wholesale hardware business in Chicago. In 1885 Mr. Seeberger was appointed collector of customs for the port of Chicago, by President Cleveland, and served until his successor was appointed by President Harrison.

Let every enfeebled woman know it! There's a medicine that'll cure her, and the proof's positive! Here's the proof—if it doesn't do you good within reasonable time, report the fact to its makers and get your money back without a word—but you won't do it!

The remedy is Dr. Pierce's Favorite Prescription—and it has proved itself the right remedy in nearly every case of female weakness. It is not a miracle. It won't cure everything—but it has done more to build up tired, enfeebled and broken-down women than any other medicine known.

Where's the woman who's not ready for it? All that we've to do is to get the news to her. The medicine will do the rest. Wanted—women. First to know it. Second to use it. Third to be cured by it. The one comes off better.

The seat of sick headache is not in the brain. Regulate the stomach and you cure it. Dr. Pierce's Pellets are the Little Regulators. Only 25 cents a vial.
