King Oscar and the Pope.

An amusing story of the manner in which his holiness was greeted by King Oscar of Sweden when he visited Rome is told by one of the returned pilgrims. On approaching the pontiff King Oscar extended his hand. A good son of the church would, of course, have knelt and kissed the pope's extended ring—Protestant monarchs have before now bent the knee to the pope. But King Oscar, grasping his "brother monarch's" hand, shook it warmly, and then, stooping down, embraced his holiness, kissing him effusively on the cheek. The pope was as much amused by this irregular form of greeting as the bystanders were horrified.

Guaranteed Cure.

We authorize our advertised druggist to sell Dr. King's New Discovery for consumption, coughs and colds upon this condition. We could not make this offer did we not know that Dr. King's New Discovery could be relied on. It never disappoints. Trial bottles free at Snipes & Kinersly's drug store. Large size 50c and \$1.

THE DALLES,

Wasco County, Oregon,
The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.
The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.
The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.
Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
