### The Dalles Daily Chronicle.

THE DALLES - OREGON

A party of old pioneers proposes to make the trip from Payallup, Wash., to Chicago on a flat car, which they will fit up with a cabin for a kitchen and for use on rainy days. They will be gone eighty days, thirty of which will be spent in Chicago.

#### Guaranteed Cure.

We authorize our advertised druggist to sell Dr. King's New Discovery for consumption, coughs and colds upon this condition. If you are afflicted with a cough, cold or any lung, throat or chest trouble, and will use this remedy as directed, giving it a fair trial, and experience no benefit, you may return the bottle and have your money refunded. We could not make this offer did we not know that Dr. King's New Discovery could be relied on. It never disappoints. Trial bottles free at Snipes & Kinersly's drug store. Large size 50c and \$1.

The Portland clergymen who went to Astoria to investigate the charge of promiscuous kissing of females preferred against Rev. R. B. Dilworth, of that city, arrived at the conclusion that there is nothing wicked in kissing, though, perhaps, it is a trifle indiscreet, sometimes.

The promptness and certainty of its cures have made Chamberlain's Cough Remedy famous. It is intended especially for coughs, colds, croup and whooping coughs, and is the most effectual remedy known for these diseases. Mr. C. B. Main of Union City, Pa., says: "I have a great sale on Chamberlain's Cough Remedy. I warrant every bottle and have never heard of one failing to give entire satisfaction." 50 cent bottles for sale by Blakeley & Houghton, druggists.

The Seattle Telegraph has added to its plant five Mergenthaler Linotype machines, at a cost of \$13,500, which are being rapidly set up. Two of them are already in operation. These are the first type setting machines to be used in the state of Washington.

There is nothing I have ever used for muscular rheumatism that gives me as much relief as Chamberlain's Pain Balm does. I have been using it for about two years—four bottles in all—as occasion required, and always keep a bottle of it in my home. I believe I know a good thing when I get hold of it, and Pain Balm is the best liniment I have ever met with. W. B. Denny, dairyman, New Lexington, Ohio. 50 cent bottles for sale by Blakeley & Houghton.

FLAT folds of material headed by milliner's pipings are among the prettiest of skirt trimmings.

**Eucklen's Arnica Salve.**  
The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Snipes & Kinersly.

The far and "frontier" west does not appear to be peopled exclusively by tough citizens. At Winnemucca, Nev., a jury was formed last week of men whose average age was twenty-seven, who were all total abstainers from drink, none smoked cigarettes and none had ever chewed tobacco.

## THE DALLES,

Wasco County, Oregon,

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
