President Cleveland's Pocket Plece.

The president recently received a silver half dollar which was coined in the Andrew Jackson Long, of Tennessee, who is, as a matter of course, a democrat. The medium of the gift was Representative Washington, who presented it, and with it a letter from the donor. The missive asked the presi-"The Kankakee Indians, on the head dent to carry it as a pocket piece, asbe always lucky, and could catch fish while other men stood around and swore with vexation or wept with despair. When this assurance reached the president's eye the half dollar slipped into his trousers' pocket with a deftness of motion that Hermann's self would have envied.
