Now Try This.

It will cost you nothing and will surely do you good, if you have a cough, cold, or any trouble with throat, chest or lungs. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to give relief, or money will be paid back. Sufferers from la grippe found it just the thing and under its name had a speedy and thorough recovery. Try a sample bottle at our expense, and learn for yourself just how good a thing it is. Trial bottles free at Snipes & Kinsley's drug store. Large size 50c and \$1.

"I don't know much about birds," said a man who lives in the suburbs, "but I know a red-breasted robin when I see one, and I don't know of any more cheerful sign of spring than his coming."

The promptness and certainty of its cures have made Chamberlain's Cough Remedy famous. It is intended especially for coughs, colds, croup and whooping coughs, and is the most effective remedy known for these diseases. Mr. C. B. Main of Union City, Pa., says: "I have a great sale on Chamberlain's Cough Remedy. I warrant every bottle and have never heard of one failing to give entire satisfaction." 50 cent bottles for sale by Blakeley & Houghton, druggists. 1m

Mrs. POLKADOT—"What pretty new curtains you have! Where did you get them?" Mrs. PLEATER—"Easy enough. They are a couple of my husband's Ascot ties."—Vogue.

There is nothing I have ever used for muscular rheumatism that gives me as much relief as Chamberlain's Pain Balm does. I have been using it for about two years—four bottles in all—as occasion required, and always keep a bottle of it in my home. I believe I know a good thing when I get hold of it, and Pain Balm is the best liniment I have ever met with. W. B. Denny, dairyman, New Lexington, Ohio. 50 cent bottles for sale by Blakeley & Houghton. 1m

DECEMBER 7, 1787, commemorates the ratification of the constitution by the state of Delaware, she being the first state to ratify.

Bucklen's Arnica Salve. The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Snipes & Kinsley.

At the recent session of the Australasian postal conference a resolution was agreed to favoring the construction of a Pacific cable, from Australia to Vancouver, to afford an alternate telegraphic route to England.

While Mr. T. J. Richey of Altona, Mo., was traveling in Kansas he was taken violently ill with cholera morbus. He called at a drug store to get some medicine and the druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy so highly he concluded to try it. The result was immediate relief, and a few doses cured him completely. It is made for bowel complaint and nothing else. It never fails. For sale by Blakeley & Houghton, druggists. 1m

Specimen Cases.

S. H. Clifford, New Cassel, Wis., was troubled with neuralgia and rheumatism, his stomach was disordered, his liver was affected to an alarming degree, appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him.

Edward Shepherd, Harrisburg, Ill., had a running sore on his leg of eight years' standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Speaker, Catawba, O., had five large fever sores on his leg, doctors said he was incurable. One bottle Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold by Snipes & Kinsley.

For the first quarter of 1893 the new industries established in the south exceed those of the first quarter of 1892 by 198. The report prepared by the Chattanooga Tradesman says there has been a marked increase in the establishment of wood-working plants and cottonseed oil mills.

The people at the World's Dispensary of Buffalo, N. Y., have a stock-taking time once a year, and what do you think they do? Count the number of bottles that've been returned by the men and women who say that Dr. Pierce's Golden Medical Discovery or Dr. Pierce's Favorite Prescription didn't do what they said it would.

And how many do you think they have to count? One in ten? Not one in five hundred!

Here are two remedies—one the "Golden Medical Discovery," for regulating and invigorating the liver and purifying the blood; the other, the hope of weakly womanhood. They've been sold for years, sold by the million bottles; sold under a positive guarantee, and not one in five hundred can say: "It was not the medicine for me!" And—is there any reason why you should be the one? And—supposing you are, what do you lose? Absolutely nothing!

HENRY GEORGE has been rejected as a juror in the latest wife poisoning case in New York because he informed the court that he would interpret the law for himself and would decline to allow the court to do it for him.

PORTLAND, OREGON.

THE DALLES,

Wasco County, Oregon,

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
