DRIVEN TO THE WALL

Merchants' National Bank of Tacoma Suspends.

THE LIABILITIES VERY LARGE

Plankinton Bank, of Milwaukee, Closes Its Doors—Large Sums on Worthless Notes.

TACOMA, June 1.—The Merchants' National bank, one of the oldest banks in the city, suspended payment this morning. An interview with one of the officers of the bank by a United Press representative gives as the cause of the suspension the depression of the past two years, which caused deposits to run down from something over \$1,000,000 to about half that amount. Necessarily much paper was accumulated, and collections were slow and in many cases impossible, and this coupled with a steady drain for the last 30 days caused by a local scare, and a sudden demand from Eastern correspondents for an immediate settlement, caused the suspension. The present liabilities of the bank are slightly in excess of \$600,000, including the amount due depositors and banks. The assets are \$1,100,000. It is believed locally that the bank will resume business as soon as it can adjust with the Eastern people.

Fight Between Mitchell and Hall.

LONDON, June 1.—A vicious quarrel took place late Monday night on the sidewalk in front of a small tavern, in Piccadilly, between Charley Mitchell and Jim Hall, the pugilists. Hall was sadly under the influence of liquor, and this circumstance probably encouraged Mitchell to let go at him.

After some words, and while Hall was endeavoring to get into a cab, Mitchell struck him in the stomach. Hall fell groaning to the sidewalk, cutting open his head. When the police arrived Mitchell skipped, and he has not yet been arrested. Hall was arrested and taken to the Vine-street police station.

PEACE AT LAST.
President Sacaza Has Abandoned the Struggle With the Revolutionists.

PANAMA, May 31.—Advices received state that President Sacaza has abandoned the struggle with the revolutionists in Nicaragua. Last night the president signed a treaty of peace with his opponents. The members of the provisional government entered Managua and assumed control of affairs. The transfer of the reins of government was effected quietly, and there has been no disorder of any kind.

SECRETARY GRESHAM INFORMED.

WASHINGTON, May 31.—Secretary Gresham today received the following dispatch from New York: "President Sacaza, of Nicaragua, resigned last night. He has signed terms of peace."

It was signed by James A. Scrymser, president of the Central American Cable company. This dispatch is the first intimation the state department has received indicating the end of the war in Nicaragua.

Not Under the Geary Law.

PHILADELPHIA, June 1.—In accordance with the circular issued by Secretary Carlisle, United States Commissioner Edmunds has issued warrants for the arrest of six Chinese laborers. The warrants were issued under the act of congress of August 6th, 1882, and not under the Geary act. The law of 1882 forbids Chinese to be in this country, who are not registered and provided with certificates. Four of the warrants were served. In one case the commissioner continued the hearing until another date. Lee Key, a laundryman, and Young Wing and Lee Young, cooks, were given a preliminary hearing and bound over in \$500 for further hearing, Friday next.

Gladstone's Assailant Declared Insane.

LONDON, June 1.—William Townsend, the man arrested on a charge of having discharged a pistol in Downing street, but really on suspicion of an intent to murder Prime Minister Gladstone, and who was subsequently charged with having sent to Gladstone a letter threatening to take Gladstone's life, was put on trial today at Old Bailey. The defense offered that Townsend was insane. After hearing the evidence the jury found Townsend guilty of the crime charged, but irresponsible for his ac-

tions. The judge thereupon ordered Townsend should be confined during his majesty's pleasure, the usual order made when convicted persons are held irresponsible on the ground of insanity.

VERDICT RENDERED.

Professor Briggs Refuses to Recant, and Is Suspended.

WASHINGTON, June 1.—Having decided they had a heretic on their hands in the person of Dr. Briggs, the first thing for the delegates to the Presbyterian general assembly to do this morning was to consider what should be done with him. The committee appointed to decide the matter brought in the recommendation, "Suspension from the ministry," and the assembly adopted the report.

Dr. Briggs was accordingly suspended indefinitely, and he can only be reinstated on the recantation of the matter in his speeches and writings to which objection has been made. It is not likely that he will ever do this.

Dr. Briggs in New York.

NEW YORK, June 1.—The Rev. Chas. Briggs, D. D., returned from Washington tonight. He was asked: "Has the decision of the general assembly in suspending you from the ministry made any change in your relations with the Union seminary?"

"None whatever," replied the doctor. The professor and some of his friends intimated though that the action in Washington did not end the matter.

The Plankinton Bank Closed.

MILWAUKEE, Wis., June 1.—The Plankinton bank opened at the usual hour, and but five minutes later William Plankinton, vice-president, appeared and at once the following notice was posted and the doors closed: "Owing to the failure of our efforts to reorganize the bank and the continual withdrawals of deposits, we have thought best for the interests of all depositors and stockholders to close the bank."

Thurston Appointed Minister.

WASHINGTON, June 1.—Secretary Gresham has been officially notified of the appointment of L. A. Thurston, late head of the annexation commission, to be minister from Hawaii to the United States, to succeed Dr. Mott Smith. The secretary had no news from Hawaii relative to the events mentioned in the press dispatches from San Francisco.

Steele Mackaye's Spectatorium.

CHICAGO, June 1.—Steele Mackaye's Spectatorium, the huge theatrical enterprise now partly finished, adjoining the world's fair, went into the hands of a receiver this morning, on application of Mackaye. The concern owns \$218,000, and has visible assets of \$50,000.

Polk County Pioneers.

DALLAS, Or., June 2.—[Special]—The meeting of the Polk County Pioneer Association begins here today and will continue two days.

William McAdoo.

The assistant secretary of the Navy, ex-Congressman McAdoo, has recently removed from New Jersey to New York.

He was born in Ireland, October 25, 1853, and soon after his parents emigrated to the United States. His parents were poor, and before he had received an education he was compelled to earn his own living.

He was ambitious, however, and while working as office boy in a law office mastered Blackstone and studied political economy and parliamentary law. He was admitted to the bar in 1874. He was elected to the forty-eighth congress, and was three times re-elected. McAdoo's wife was Miss Eva Lee Tardy, of Lynchburg, Va.
