RECTOR AHLWARDT.

The Most Violent Jew-Hater in the German Empire.

For a man of simple ordinary force and ability Ahlwardt, the leader of the anti-Semitic movement in Germany, has achieved extraordinary notoriety. It is not, however, his personality, but the personality of the men whom he at-

RECTOR AHLWARDT.

tacked which has made his name known throughout two continents. He first attracted world-wide attention by openly charging that the gun-makers who supplied the German army with rifles had grossly swindled the government and that the fighting weapons of the army were absolutely useless.

These statements caused a profound sensation, but Ahlwardt was unable to sustain his position and was convicted of libel and imprisoned. A few days ago he again made himself conspicuous by declaring in the reichstag, of which he is a member, that large sums of money belonging to the government had been dishonestly paid to certain Hebrew speculators during Bismarck's occupancy of the chancellorship. The explosion of this bombshell fairly shook the German empire, but Ahlwardt again failed to sustain his rash statements and was laughed and hissed out of the reichstag. In the judgment of many the man is slightly unbalanced.

"Golden Medical Discovery" cures those diseases which come from blood impurities—scrofula and skin diseases' sores and swellings.

But does it? It's put up by the thousands of gallons, and sold to hundreds of thousands. Can it cure as well as though it had been compounded just for you?

Its makers say that thousands of people who have had tetter and salt-rheum, eczema and erysipelas, carbuncles and sore eyes, thick neck and enlarged glands, are well today because they used it.

Suppose that this is so. Suppose that a quick-witted man was far-seeing enough to know that to cleanse the blood was to cleanse the life. Suppose that by many experiments, and after many failures, he discovered this golden key to health and that his faith in it for you is so strong that you can go to your druggist, buy a bottle, and if it doesn't help you, you can get your money returned—cheerfully. Will you try it?

The remedy to have faith in, is the remedy the makers themselves have faith in.

THE DALLES,

Wasco County, Oregon,

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
