A telegram from Ellensburg relates that the bank of Ben Snipes at that place has suspended, although no alarm is manifested. To a reporter Mr. Kinnersly, of The Dalles, stated that the situation, only reversed, was similar to the man who starved to death on the prairie with a pocketful of \$20 gold pieces. The money stood for a good deal of food, but he couldn't eat the gold. Mr. Snipes has property representing a good deal of money, but it is not a medium of exchange.

GAVE UP ITS DEAD.

The Body of an Indian Woman Found in the Columbia.

This morning while Frederick Walther, an old man, was gathering drift wood on the river in a small boat, he noticed a body floating by, which he secured and towed to shore near the foot of Federal street. Notifying the coroner, Mr. Eastwood at once empanelled a jury, when, after listening to all the evidence available, it was decided to bury her. The verdict will be rendered later in the day.

The body was nude, with the exception of some leggings which the Indians wear, the clothes having been torn off. Indian Wesley pronounced her to be the wife of Jo Jo, and one of the four drowned at Arlington about two weeks ago. Jo Jo is now in the penitentiary at Salem. Of the four drowned, an old man and boy, and an old and young woman, all have now been found but the old man, the young woman and boy having been found at Grants day before yesterday. The fatality was caused by the canoe careening and filling with water, while crossing the river at Arlington during a high wind, all four having been precipitated into the water and drowned.

The body of the woman found here was buried in the city cemetery this morning.

A Fine Entertainment.

As predicted by the CHRONICLE, the concert last night in Wingate's hall was the musical event of the season. The excellence of the orchestra, under the unassuming title of "The Dalles String Band," proved a revelation, even to those who were best informed upon what to expect. The poetry of music cannot be described upon paper. It has often been tried, but always in vain, for the reason that the comparisons made are always inferior to that to which it is compared. The beginning overture, "Beatrice," with its beautiful harmonies, revealed to the audience what was to be expected, and the promise did not fall throughout. Mr. Benton's cornet solo was a very difficult selection in triple tonguing, every note of which, even to the 32ds, was brought out clear, sharp and musical. The clarinet solo, a piece similar in character, and quite as pretty, was faithfully rendered by Mr. Long. The violin solo by Mr. Birgfeld was, of course, the best selection. The violin is king of instruments, and Mr. Birgfeld is a master. He plays with superb expression, and can extract from it every sound within range of the gamut. Now tenderly sweet, seductive and mellow, again bold, dashing and brilliant, Mr. Birgfeld awakes from his instrument sounds that will soothe or electrify, and commands an attention that permits of no distraction. A large house greeted the first concert of this excellent orchestra, and they were repaid by hearing the finest exhibition of home talent ever given in the musical line. The encores were Messrs Benton, Long and Birgfeld.

Some Fine Work.

The CHRONICLE has just finished a job of county printing which is a credit to the Oregon art preservative. The engraving and printing was all done in The Dalles. The engraving is a copper plate from a photograph, both by our well-known photographer D. C. Herrin, and is a beautiful representation of the court house and grounds. The CHRONICLE is able to turn out as fine work as can be done in Portland, and in fact much better than the work ordinarily turned out at our metropolis.

WE HAVE CURED THESE—WE CAN CURE YOU! GENERAL DEBILITY CURED. San Francisco, Cal., August 14, 1892. Dr. A. T. Sanden, Dear Sir—Before I used your belt I was troubled with lost vigor, vital weakness, and almost a complete loss of power. I would get up with a very tired feeling, bones aching, etc. After using your belt I have had a new lease of life. I now enjoy life better than I have for ten years past. I have the utmost confidence in your treatment. You can publish this statement, also have others written or call on me. Truly yours, E. A. BOWEN, 28 and 29 Turk St. RHEUMATISM AND LAMENESS CURED. Portland, Oregon, April 12, 1892. Dr. A. T. Sanden, Dear Sir—I got one of your belts two weeks ago for rheumatism, from which I suffered for several years. For the past six months I had not been able to work. Your belt has placed me in almost perfect health in the two weeks I have used it. I can walk comfortably, and feel like a new man generally. M. E. HUGHES, Proprietor International Hotel. NERVOUS DEBILITY—LOSS OF VIGOR. Tacoma, Wash., October 21, 1892. Dr. A. T. Yours gratefully, CHAS. LOETKA. LAME-BACK AND RHEUMATISM. Portland, Oregon, September 28, 1892. Dr. A. T. Sanden, Dear Sir—Years of exposure and hard work, combined with the strain coming from the jar of an engine, gave me a severe case of lame back, from which I suffered for seven years. I was so bad that I could not bend my back. As all doubled up with it, I bought one of your belts. It helped me inside of two days, and I continued to use it for two months, being perfectly cured. That was two years ago, and I am as well; to-day I am as well as my life, know your belt well, and I know lots of people who have been cured by it. Many others need it, and if they would try it they would find it the same as I did—the best remedy in the world. I am located here permanently, and will be glad to talk with you, or write to you at any time. S. H. HARRIS, Engineer Hotel Portland. LOST VITALITY AND STRENGTH. Everett, Wash., June 28, 1892. Dr. A. T. Sanden, Dear Sir—Since wearing your belt I have been greatly benefited. I feel my old energy fast returning, and after a month's use of the belt I find myself twice as vigorous as before. My memory is now nearly perfect, and each day shows for the better. I feel much stronger than before using the belt. Yours truly, HENRY SCHULTZ.
