CHRIS EVANS CAUGHT

Both the Train Robbers Are Safe in Jail.

EVANS WAS SHOT THREE TIMES

Graphic Story of the Fight With the Posse—Sontag is Very Low.

VISALIA, Cal., June 13.—Lije Perkins, who lives in Wilcox canyon just east of where Sunday night's fight took place, arrived in town last night with the information that Evans was at his house badly wounded and could be taken. A posse was immediately organized and left about midnight and hurried through the darkness and over rough roads and arrived at Perkins' house about 2 o'clock this morning. A little boy of the Perkins family went upstairs and informed Evans that the officers had arrived. Mr. Perkins then went up while the posse remained below and told Chris that the officers were below and advised him to give up the fight and surrender before he was killed. Chris, despondent and sick at heart, replied, "All right," and requested that the officers come up stairs and he would give himself up. Deputy Sheriff Hall and posse then entered the room, and Hall said, "Chris, I have come to arrest you," and Evans replied, "All right, Billy." When asked if he had any arms, he replied he had a pistol under his pillow, he being in bed. Sontag is very low. The doctors say the bullet in the lungs is very dangerous. About midnight his friends, the Byrds, were summoned to his bedside, as he thought he was dying.

CARRIAGE COMPANY ASSIGNS.

The Corvallis Factory Pressed to the Wall by an Overstock.

CORVALLIS, June 13.—The Corvallis Carriage & Wagon company filed a deed of assignment last evening. Walter T. Wiltz, assistant cashier of the First National bank of this city, is named as assignee. The inventory shows the total assets, including the plant appraised at \$30,000, to be \$90,506, and the liabilities \$37,572. As soon as the assignee's bond is approved, the factory will be reopened, and all material now on hand made up into finished work. Several reasons are assigned for the recent turn in affairs, the principal one being the unusual lateness of the season, which has caused work to move off very slowly, and as a result some \$20,000 worth of finished jobs have accumulated in their storeroom on which there are no returns.

Dying By Thousands.

CONSTANTINOPLE, June 13.—The cholera has appeared in many districts of Asiatic Turkey, and is spreading rapidly. Along the lower Tigris and the Shat-el-Arab River people are dying by thousands. Villages have been deserted by those fleeing from the pest. The panic has become so great that few families wait to bury their dead or even to nurse their sick, but flee to the next towns to escape the infection. The fugitives from stricken towns are spreading the epidemic with appalling rapidity. Letters from Bassora city say that 70,000 people have fled from Bassora province alone.

Oregon Woolens Recognized.

ALBANY, Or., June 13.—The Albany Woolen Mills Company, which was recently awarded the contract for furnishing clothing for the Oregon National Guard, today received a telegram from the Indian department announcing that it was the successful bidder for the contract for furnishing the United States Indian department with blankets, kersey and cadet coats. Having competed successfully with the largest woolen manufacturing establishments of the country, this speaks volumes for this industry in Oregon.

Federal Appointments.

WASHINGTON, June 13.—The president today made the following appointments:
Holmes Conrad, of Virginia, to be assistant attorney-general.
Henry C. Grady, United States marshal for the district of Oregon.
Daniel E. Murphy, United States attorney for the district of Oregon.
Thomas J. Black, collector of customs for the district of the Willamette, Oregon.

The News in Portland.

It was about 1 o'clock p. m. when the wired news of the appointment of Murphy, Black and Grady was received in this city. Fifteen minutes later every

Crop-Weather Bulletin.

Weather—The week has been cooler than the preceding week. There has been less sunshine, and since Friday there have been frequent showers.

Crops—The weather has been most favorable to the growth of all vegetation. Both fall and spring wheat are much better than they were last year. Reports indicate an unusually heavy hay crop. Pastures are luxuriant, and as a result stock is in prime condition. Strawberries are becoming very plentiful and they are a good crop. Reports do not show that the peach and cherry crop will be over one-half a crop, except in Douglas, Josephine and Jackson counties, where the prospects are good for an average crop. The prune crop will be unusually heavy. The onion crop bids fair to be one of the largest on record.

EASTERN OREGON.

Weather—During the fore part of the week warm easterly winds prevailed for two days, changing to cooler and cloudy weather, with occasional light sprinkles during the latter few days, especially on the 10th. The mean temperature varied from 48 to 64 degrees, as against 50 to 62 degrees of the preceding week.

Crops—Strawberries are ripening rapidly, and are very large and fine. The peach crop is not full, except in the Snake river orchards. The fruit prospects are on the whole not the most encouraging, except berries, and they will be fully an average crop. More rain would prove beneficial to the cereal crop, but its absence, with a continuation of cool, partly cloudy weather will work no serious injury.

Rivers—The Columbia, Snake and tributary rivers are gradually rising and the prospects are for a continuous rise. Considerable danger yet exists and while high water is yet to be expected, yet it is not probable that they will attain a higher point than they have in 1880, 1882, or 1887, when in each of these years the river was from 26 to 28 feet at Portland.

J. F. FORD, Evangelist,

Of Des Moines, Iowa, writes under date of March 23, 1893:

S. B. MED. MFG. CO., Dufur, Oregon.

Gentlemen: On arriving home last week, I found all well and anxiously awaiting. Both of the children like it. Your S. B. Cough Cure has cured and kept away all hoarseness from me. So give it to every one, with greetings for all. Wishing you prosperity, we are Yours, Mr. & Mrs. J. F. Ford.

If you wish to feel fresh and cheerful, and ready for the Spring's work, cleanse your system with the Headache and Liver Cure, by taking two or three doses each week.

Sold under a positive guarantee. 50 cents per bottle by all druggists.

Gas Supply Struck.

FINDLAY, O., June 13.—The city drilled in a 20,000,000 foot gas well on the Creighton farm, five miles east of the city today. When the gas was struck the flow was so strong that the tools were blown out of the well. An effort to shut the well in failed, and tubing was blown higher than the derrick. This well outrivals the famous Karg, and the roar of the escaping gas can be heard for five miles.

Are you insured? If not, now is the time to provide yourself and family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as an insurance against any serious results from an attack of bowel complaint during the summer months. It is almost certain to be needed and should be procured at once. No other remedy can take its place or do its work. 25 and 50 cent bottles for sale by Blakeley & Houghton, druggists.

Highest of all in Leavening Power.—Latest U. S. Gov't Report.
