JUNE JOTTINGS.

Fifth and Point Paragraph by Our Pencil Pushers.

Man's talk is only vapor. When it runs to praise or blame; He "quesses" 'bout the paper But he reads it just the same.

The Lewiston Tribune recently issued a 12-page edition, which is a very creditable paper.

Messrs. Saltmarsh & Co. shipped a car of beef cattle to Olympia last night from their stock yards.

Geo. L. Read has announced himself as a candidate for marshal. Mr. Read is a very popular and sensible young man and deserving of the office.

The scale has made its appearance within the last few days, and a little judicious fighting right away, if general, will do a great deal of good.

The question as to who will occupy positions at Indian agencies is practically settled, as it will be a matter for the war department to decide.

Ed Gibson amused a large crowd at the East End today by sticking to a wild cayuse, which did its level best to buck him off. The broncho did some high old bucking, but Ed kept his seat on the brute's back.

The Chinese emperor recently headed a native commissioner for smuggling over Chinamen, for which he received \$30 per head. President Cleveland is swinging the ax in just as lively a manner on this side of the water, three heads being lopped off day before yesterday in the Oregon precinct.

The Union Pacific brass band, of Albina, have been tendered a car to gratuitously convey them to Chicago and return, to engage in a series of competitive contests at the White City. This organization numbers twenty-five of the most reputable young men in Albina, and it is considered one of the best bands in the northwest.

Mrs. N. Harris entertained the Ladies Good Intent Society at her home yesterday afternoon in a most admirable manner. After the business of the society had been transacted a social time was enjoyed and the hostess served a lunch of ice cream, strawberries and cake. It was decided that the ladies will give a lawn social at the home of Mrs. D. M. French on the evening of July 4th.

Annual Reunion of the Oregon Pioneer Association.

The 21st annual reunion of the Oregon Pioneer Association will be held in Portland today, and a very enjoyable and profitable gathering of the old boys and girls, who helped to lay deep, broad and strong the foundation of the Web-foot empire, is confidently expected.

Pioneers will secure badges from the secretary, George H. Himes, 108 Second street, as early in the morning as possible, and assemble at Hotel Portland at 1 o'clock sharp. All will then fall in under the banners representing the years of their arrival in Oregon, as directed by Grand Marshal John W. Minto and his aides, Dr. Curtis C. Strong and O. F. Payton, esq., and march directly to the Portland industrial exposition, where the public exercises will be held as follows, to which the public generally are invited:

- Music..... Marine band
- Prayer by the chaplain..... Rev. C. C. Stratton, D. D.

At the close of the literary exercises the annual business meeting will be held in which members only will participate.

At 6 o'clock sharp all pioneers and invited guests will assemble in the dining hall at the left of the music hall in the Exposition building, and partake of a bounteous collation provided by the pioneer ladies' committee. At this Hon. M. C. George will preside. After eating there will be a "pioneer experience meeting," of an entirely informal character, interspersed with pertinent remarks from invited guests, and also music.

An artist will be present to take a large group picture of pioneers.

To the Voters.

TO THE VOTERS OF DALLES CITY.—Having had the honor of the nomination for Mayor of Dalles City conferred upon me unexpectedly and unthought, and having heard my remarks made in accepting the nomination criticised and misconstrued, I desire to say in explanation thereof, that what I said in reference to sewers, was this: That I considered that the health and lives of our families superceded all things else and that I attributed the appearance of typhoid fever, diphtheria and many other diseases, to poor sewerage in many cases, and that I should use my utmost endeavors, in case I should be elected, in cases where necessary, to correct the same as soon as possible. I did not wish to convey the idea that I would favor the construction of sewers in all streets and additions to the city, or the taking up of old sewers and putting them down. I would not convey the idea for a moment that I would favor sudden or sweeping changes in the sewer system, nor do I think anyone could so construe the remarks I made. I should, first of all, examine the city thoroughly and hunt up all death-traps, disease-breeding ponds, alleys, backyard sewerage, open cesspools, etc., and have them corrected as speedily as possible, and this could be done in most cases with but little expense to the city. Connections with sewers already laid could be recommended and enforced if necessary at the expense of those benefited thereby, ponds might be drained and pools filled up at but little expense and the general health of the city thereby greatly improved. This may be done gradually and in a way not to be felt or that would become burdensome to any one. Poor water and bad sewerage have filled more graves in Dalles City than from all other sources combined. We now have good water and typhoid fever has fallen off fifty per cent. within the last two years, and I believe diphtheria could almost be blotted out here by careful attention to the sewerage, as above suggested, and I further believe that no honest citizen who has the welfare of the people of the city at heart would disfavor the changes I have named or would begrudge a pittance expended in that direction in urgent cases where health and lives were endangered. I believe you could elect no better man to serve you than Hon. S. B. Adams and if he is elected I am sure economy will be his watchword as it certainly would be mine, and as I am a taxpayer and a little stingy myself, I assure you that I will not, if elected, favor expending one dollar of the city's money unless it is actually necessary.

I desire to state that notwithstanding I am a democrat I did not favor the selection of a purely partisan ticket, as I do not believe that politics should enter into the management of city affairs; and when I declined any nomination on the democratic ticket I had no idea that I would be asked to accept a nomination on the citizens' ticket. There are no doubt good men on both tickets, and no doubt each voter will vote for the man he chooses, irrespective of politics. This is as it ought to be—"The man and not the party."

I desire, in conclusion, to express my sincere thanks to the citizens of Dalles City for the great honor conferred on me by giving me this nomination, and, if elected, I shall endeavor to serve the people honestly and faithfully.

W. E. RINEHART.

NAMING A TICKET.

The Citizens Announce Who They Desire to Serve Them.

Three hundred and eighteen votes polled on the first ballot for recorder at the court house last night showed how large and how interested was our townspeople in the men who are to handle the reins of our city government for the ensuing year. The meeting was called to order at 8:30 o'clock by Mayor Mays, who stated the object of the meeting and announced that the selection of a chairman would be in order. Capt. Lewis was nominated by acclamation, as was J. S. Fish for secretary and C. E. Bayard assistant.

A motion was carried that the meeting proceed to the nomination of mayor, recorder, treasurer and marshal in the order named, and that the two wards select councilmen and water commissioners Friday night at their respective convention halls. G. A. Phirman and J. M. Huntington were appointed tellers.

Pursuant to motion, nominations being in order, W. H. Wilson nominated Hon. Robt. Mays in a neat speech. Mr. Mays then rose and thanked the mover and seconds, but declined in favor of Dr. W. E. Rinehart, who was thereupon nominated by acclamation. Mr. Rinehart, in accepting the nomination, thanked the convention for the honor conferred upon him, and said that if elected it would give him the greatest happiness to fulfil the duties of the office to the best of his ability. More than any other one thing he dwelt upon the importance of a good sewer system, which he was gratified to say was so ably undertaken by the last council. He considered money well expended where our lives and the lives of our wives, our sons and our daughters were in question. Typhoid fever and many other forms of disease were attributable to the present state of our sewers, and Mr. Rinehart pledged himself that if elected he would pursue this vital subject to its legitimate conclusion.

For recorder the names were presented of C. L. Phillips, E. N. Chandler, Hans Hansen and Douglas Dufur. A motion was carried, as the evening was already far advanced, that the candidate receiving the highest number of votes be declared the nominee of the convention. The vote being taken gave Mr. Dufur the highest number of votes, and in a short speech, Mr. Dufur thanked the convention and promised his best services if elected.

For treasurer I. I. Burgett and Louis Rorden were placed in nomination, resulting in the selection of Burgett, who acknowledged the compliment in a fitting speech.

The candidates for marshal were Dan. Maloney, Chris. Bills and Geo. Reed. Maloney was chosen and meeting adjourned.

White Salmon Items.

WHITE SALMON, June 12, 1893.

The fifth annual session of Washington State Grange is numbered with the events of the past. It is conceded by all who attended that it was one of the best sessions ever held in the state. We renewed old pledges, formulated new ones, thereby uniting one and all in a deeper, broader brotherhood and sisterhood of humanity. I cannot describe the grand good time we all had, from first to last. Many good resolutions were framed and passed, and we believe the foundation for good works in the future was laid. All newspapers that kindly published the notice of the meeting are to be furnished with a full report of work done just as soon as the secretary can forward them.

The meeting closed as it began, by singing the song "There's a Good Time Coming, Help It On." Under the inspiration received from the meeting A. H. Jewitt has begun to excavate for the foundation of a new dwelling house, and the first of a set of greenhouses.

The teamsters are now hauling nineteen to twenty loads of telegraph poles down the new grade to Palmer's landing daily.

Our merchants seem to be doing a good business. There is talk of building a Grange, as well as an Odd Fellows hall. Other items of interest next week.

NEWCOMER.

Dr. M. J. Davis is a prominent physician of Lewis, Cass county, Iowa, and has been actively engaged in the practice of medicine at that place for the past thirty-five years. On the 26th of May, while in Des Moines en route to Chicago, he was suddenly taken with an attack of diarrhoea. Having sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for the past seventeen years, and knowing its reliability, he procured a 25 cent bottle, two doses of which completely cured him. The excitement and change of water and diet incident to traveling often produce a diarrhoea. Every one should procure a bottle of this Remedy before leaving home. For sale by Blakeley & Houghton, druggists.
