The Dalles Daily Chronicle.

MRS. SARAH HAWN, the mother of seventeen children, died recently at Oakland, Ill., at the age of one hundred and five. At the time of his death, a few years ago, her husband had attained his ninety-seventh year.

You've tried Dr. Pierce's Favorite Prescription, have you, and you're disappointed. The results are not immediate.

And did you expect the disease of years to disappear in a week? Put a pinch of time in every dose. You would call the milk poor because the cream doesn't rise in an hour? If there's no water in it the cream is sure to rise. If there's a possible cure, Dr. Pierce's Favorite Prescription is sure to effect it, if given a fair trial. You get the one dollar it costs back again if it don't benefit or cure you. We wish we could give you the makers' confidence. They show it by giving the money back again, in all cases not benefited, and it'd surprise you to know how few dollars are needed to keep up the refund.

Mild, gentle, soothing and healing is Dr. Sage's Catarrh Remedy. Cures the worst cases permanently. No experimenting. It's "Old Reliable." Twenty-five years of success.

Mrs. ROBERT G. INGERSOLL receives almost as many letters as her husband, and most of the letters inclose religious tracts.

Shiloh's cure, the Great Cough and Croup Cure, is for sale by Snipes & Kinersly. Pocket size contains twenty-five doses, only 25c. Children love it. Sold by Snipes & Kinersly.

THE DALLES,

Wasco County, Oregon,

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Sammer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these
