The Arctic Explorer Soon to Start on His Voyage.

On top of this house an observatory has been constructed to be used for scientific observations by Lieutenant Peary while voyaging north. She has her crow's nest, and will be dressed in complete Arctic rig before entering the Delaware. She carries 18 months', provisions and 500 tons of coal. Her crew numbers 15 persons, viz, the captain and two mates, two stewards, cook, two engineers, three fireman and six sailors. The men shipped yesterday struck for more pay, and new men had to be got this morning. Captain Edward Tracey, who was the first officer of the Kite in 1891, occupies the same position on the Falcon. THE BLARNEY STONE.

The Famous Irish Relic Placed in the White City.

CHICAGO, June 16 .- The tamous Blarney stone, which for centuries has occupied a place in the walls of the old historic Blarney castle in Ireland, has arrived at the world's fair. It was tomorrow. An elaborate programme Blakeley & Houghton, druggists. has been prepared for the event. Speeches will be made, songs sung, and Miss Sullivan, an Irish harpist, brought to this country by Lady Aberdeen, will perform on the harp. An informal reception will be given ex-President Harrison in this building today.

The Ford's Theater Inquest.

WASHINGTON, June 16 .- In the continued inquest on the victims of Ford's theater disaster today, T. C. Entwhistle, building inspector of the district, testified that the mortar used in the alterations was bad, and the brick work was badly done. If he had had authority to prevent it he would not have permitted the work to be done the way it was, for

there was too much risk. Architect Clark, of the capitol, testified that the weight on the floors was considerably less than the safety limit. A rumor prevailed in the jury-room that Contractor Hunt, who performed the work, was nearly crazy over the strain and excitement caused by the disaster.

Frightful Atrocities Practiced. VALPARAISO, June 16. - Frightful atrocities are being practiced by the Castilhistas in Rio Grande. Governor Castilho ordered a man's throat cut because he was suspected of aiding the revolutionists. This murder was committed in the presence of the wife of the victim. Barbarous punishments are inflicted on mere suspicion. The revolutionists are daily receiving new recruits. Many officers of the national guard have deserted the government and gone over

American Snobbery.

There is no two ways about it. Americans take the ribbon for snobbery, leading the nations of the earth by several lengths.
