The Dalles Daily Chronicle.

Last year a number of assessors throughout the state, including Multnomah county, assessed mortgages at less than face value. The state board of equalization equalized the assessment at face value. J. C. Smith of Multnomah county some time ago brought suit against the sheriff of that county to restrain him from collecting any greater amount for taxes than 65 cents on the dollar. The case was tried last week before Judge Stearns, G. E. Chamberlain, attorney general, and John Hall of Portland appearing for the state board of equalization and G. H. Williams and W. D. Fenton appearing for Smith. After argument by council and due deliberation by the court it was held that the action of the state board of equalization was legal and binding. This is a real, highly important victory gained by honest tax payers against the prevailing effort throughout the state to dodge the payment of just taxes.—Record.

Dr. M. J. Davis is a prominent physician of Lewis, Cass county, Iowa, and has been actively engaged in the practice of medicine at that place for the past thirty-five years. On the 26th of May, while in Des Moines en route to Chicago, he was suddenly taken with an attack of diarrhoea. Having sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for the past seventeen years, and knowing its reliability, he procured a 25 cent bottle, two doses of which completely cured him. The excitement and change of water and diet incident to traveling often produce a diarrhoea. Every one should procure a bottle of this Remedy before leaving home. For sale by Blakeley & Houghton, druggists.

I will furnish ice to any and all patrons at 25 cents per 100 pounds. Leave orders at C. F. Lauer's, or on the wagon. C. E. ALLISON.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.
