### NO. 4. AN ANCIENT HOUSE.

street an intoxicated Scandinaviau came It Is Supposed to Be the Oldest Residence

in the United States. In Santa Fe, N. M., stands what is supposed to be the oldest house in the United States. Built before 1540, of

officer ran up and arrested the party, adobe and fragments of stone, it stands to-day in more habitable condition than many of New York city's structures this morning they were atrainged before which are crammed with human life.

Close to this building stands the old church of San Miguel, erected first in the sixteenth century, but destroyed the mining town of Virginia, numbering during the Pueblo revolution of 1083, and rebuilt in 1710. Tradition relates that the house we illustrate was occuhere this morning. They were almost starved. They report that houses burned like tinder, and the whole town was in ruins inside of an hour. All the way many interesting buildings erected by here the train came through a lake of the Spanish conquerors exist in this ancient town. Of these, the adobe palace, situated on the plaza opposite the beautiful grove of cottonwoods, has been used as the executive mansion

GENERAL QUARANTINE The System Proposed by Prominent tempted to defend the mate, when an POPULISTS PREPARING FOR WAR

Col. Ainsworth Found Guilty of Criminal Negligence in the Ford Theater Horror.

NEW YORK, June 19 .- Prominent medcal men in many cities throughout the Hundreds of homesteaders are endan-

a chief appointed by the president, to be known as the executive officer of the national board of health. The bureau is to have charge of the general quarantine of the country and the conduct of such epidemics as may arise from yellow fever, cholera, typhus fever and smallpox, and co-operate with all state and

ters directly under their control, using every possible effort to lessen the influence of unsanitary surroundings consistent with the rights of the boards of health before mentioned.

Populists Preparing for the Fray Next Year.

state officers are gradually reorganizing the militia with a view to putting none but populists on guard. 'Every commissioned officer not in sympathy with the state administration has been supplanted

tered out and new companies made up The regular militia is being supplanted by volunteer companies organized in various parts of the state with the advice and encouragement of the adjutantgeneral, who furnished them with arms. Republican papers charge that the populists are preparing to use the militia in carrying the state next year. Should a

situation similar to that of last winter arise, the populists will be able to enforce their claims. This they were prevented from doing last winter by the refusal of militia companies to make an assault on the republican house.

THE JURY'S VERDICT.

Theater Horror Ended.

dict setting forth that Frederick B.

Loftus came to his death by the disaster

at [Ford's theater building June 9th,

1893. It recites all the circumstances

connected with the accident and finds

Frederick C. Ainsworth, in charge of

the building; William G. Covert, su-

perintendent; Francis Saasse, engineer,

and George W. Dant, contractor, re-

sponsible for the killing of Loftus. The

jurors further find that failure of the

government of the United States to pro-

vide skilled superintendents for the

work of the repair and alterations of its

municipal authorities in sanitary matforest fires. TOPEKA, Kan., June 19 .- The populist DENVER, Colo., June 10 .- Governor
