Two Thousand of the most killed in One Year of Scorpions.

The scorpion is the most venomous and destructive insect in the United States. It is found in the mountains of Tennessee and North Carolina. Of the largest species of the scorpion we have in this city. This scorpion will do fairly well for a representative of the family.

A Sympathetic Soul.

One of those hard practical New England women that occur in magazines of one time in life, called on an artist in this city, at his invitation, not many days ago. She looked faithfully over his pictures and studies, though there were many of them, belonging to great industry, and after the inspection was finished she said, in a severe tone: "Yes, it's very pretty, but I should think you'd get dreadfully tired of doing such things. Don't you ever want to go out and work?"—N. Y. Sun.

THE DALLEES

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY. It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market. The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS. The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH. It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.

THE DALLE CHRONICLE,

It now leads all other publications in Wasco, Sherman, Gilliam, a large part of Crook, Morrow and Grant counties, as well as Klickitat and other regions north of The Dalles, hence it is the best medium for advertisers in the Inland Empire.

The DAILY CHRONICLE is published every evening in the week Sundays excepted at \$6.00 per annum. The WEEKLY CHRONICLE on Fridays of each week at \$1.50 per annum.
