THE ACCURSED CALF.

Its Mother Nearly Killed the Engtish Premier.

Yesterday the Animal Was Famous, To-Day It Is Almost Forgotten - No One Wants to Kuy H A Sketch of the 10-Pated Creature.

The evil that cows do lives after them. It was but to be expected that the calf whose mother nearly tossed Mr. Gladstone should go through the world branded with the brand of viearlous crime and tainted with the taint of inexpiable heredity. True, for a moment the sun of fortune seemed to shine on the child of sir. The criminal herself was shot and hewn in pieces; her skin and horns and jawbones were strung, if not to city gates and castle-walls, at least to the milder equivalents of a civilized age. So the calf, the last scion of a vitiated race, was visited with the infamy of the deed and therewith with the profit of it. It was to go to Chicago, to be the brightest jewel in the diadem of the World's Columbian exposition: the viking ship and the birthplace of Shakespeare would have been but the foil to this most glittering gem of all. Like the Apis of Sinai it was to stand on its pedestal and drink in the intoxicating homage of the idolatrous. But misfortune ever dogs the child of sin, says the Pall Mall Budget, and the unavoidable bolt has fallen as follows:,

KINNERTON HALL, Chester, 1893.

Sir: The calf you sketched at our paace of the cow that attacked Mr. Gladstone in Hawarden park we have now on sale. Mr. Thomas, of Denbish, who intended to take it to the world's fair, railed in his plan, so we have taken it off his hands. Should feel more obliged if you could give meany information what to do with it. Have inclosed stamped eavelope. An answer will greatly oblige, yours respectfully. ROB'T CANNON

See how the fashion of this world passeth away? But yesterday the tail of this calf might have waved against

this world, and now it droops at the mercy of a stamped envelope. Remorseless Nemesis works out her vengeance. The gleam of glory was but transient, and the inherited sin is finding the poor beast out. And it wants little prescience to forecast its miserable HORSES future-the mark of Cain between its horns, shunned by all men, the price falling and falling and never a buyer, a solitary death, and a nameless grave. It is a great tragedy and a greater warning.

We are fortunate in being able to give a portrait of the animal, taken at the date of its mother's shame.
