WAKE UP.
If you wake up in the morning with a bitter or bad taste in your mouth, Languor, Dull Headache, Despondency, Constipation, take Simmons Liver Regulator. It corrects the bilious stomach, sweetens the breath and cleanses the furred tongue. Children as well as adults sometimes eat something that does not digest well, producing Sour Stomach, Heartburn, Restlessness, or Sleeplessness—a good dose of Regulator will give relief. So perfectly harmless is this remedy that it can be taken by the youngest infant or the most delicate person without injury, no matter what the condition of the system may be. It can do no harm if it does no good, but its reputation for 40 years proves it never fails in doing good.

TWO TRAIN WRECKS
Number of People Probably Fatally Injured.

MAIL CLERK INSTANTLY KILLED
Conflict Between Cowboys and Mexican Shepherders—One of the Latter Was Killed.

CLEVELAND, July 25.—The world's fair excursion train on the Baltimore & Ohio road was wrecked near Akron this morning. Three coaches were derailed by spreading rails and thrown over an embankment. It is reported that many are seriously injured, but none were killed outright.
In all twenty-one persons were seriously hurt, three fatally. Physicians were at once sent from Akron, and the injured taken to the hospital in that city. The accident was due to defective ties on a sharp curve.
Most of the passengers were from Washington and Baltimore. The fatally injured are: J. H. Merck, Humeston, Ia.; Gudson Hunt, Philadelphia; Leta Hunt, Baltimore.

Ran Into a Freight Car.
Boston, July 25.—The New York mail train on the Providence division of the New York, New Haven & Hartford railroad was derailed at Dodgeville about 1 o'clock this morning. The engine and two forward cars were thrown from the track within a stone's throw of the station. A freight train from Boston switched off some cars at Dodgeville, and one was left on the main track in the way of the mail train. The train was making forty miles per hour when it met the obstruction. The engine was badly damaged, and the forward cars were completely wrecked. A mail clerk named C. J. Miller, belonging in New York, was instantly killed. Another clerk named Murphy was seriously hurt. Several passengers were injured—none seriously.

Killed by Cowboys.
ALBUQUERQUE, N. M., July 25.—News has reached this city of a conflict between cowboys and Mexican shepherders on St. Augustine plains in Socorro county. Three unknown cowboys rode up to several shepherders and began abusing and hitting them with their whips. Antonio Labato, one of the men abused, offered resistance and struck one of the cowboys, when the latter commenced shooting, one shot taking effect in the lower part of his body. The cowboys then rode off, and the companions of the wounded man took him to Socorro, where he died. For the past few years there has been bad blood between these men, and it is feared that the present killing will result in more bloodshed.

THE DREADED CHOLERA.
Emigrants Preparing to Leave the Stricken Districts.

WASHINGTON, July 25.—Surgeon-General Wyman has received the following cablegram from Assistant Surgeon G. B. Young, of the marine hospital service, at Naples: "Cholera prevails, and the condition is becoming worse. A large number of emigrants are leaving for America. Isolation on shore is impossible. The authorities refuse to permit detention on board. Passengers are transferred from train to ship, and isolation on the way is imperfect." To this Dr. Wyman sent the following: "Refuse a bill of health unless all regulations are complied with. Inform the companies that full fines will be imposed without bills."

The Crops in the Middle Northwest.
ST. PAUL, July 25.—Five days of the hottest weather known in the northwest in 10 years has seriously damaged the wheat crops. In some sections it is still in the milk, and the temperature, 94 to 100, has practically ruined a large portion of it. Farmers figure on only 40 to 60 per cent of a crop. Hundreds of acres, choked up with weeds, have been plowed up. The situation in North Dakota is worse than in Minnesota. Estimates of the crop run as low as 25,000,000 bushels. The average yield is scarcely above eight bushels per acre. The potato crop is also being ruined by the drought.

Sleeplessness.
Remove the cause by regulating the bowels, by establishing good digestion with Simmons Liver Regulator. Try it, and you will soon know the blessing of good health and sound sleep.
Karl's Clover Root, the new blood purifier, gives freshness and clearness to the complexion and cures constipation. 25c, 50c, and \$1.00. Sold by Snipes & Kinersly, druggists.

Welcoming Stevenson.
At 5:23 yesterday morning, about three minutes ahead of time, the train pulled into Salem, while the state cannon fired a salute of 19 guns to the vice-president. Probably 800 people had congregated at the depot at Salem, notwithstanding the very early hour.

THE GOVERNOR'S WELCOME.
Governor Pennoyer boarded the private car of the vice-president as soon as the train arrived, and when a few minutes later he appeared with the vice-president on the rear platform of his car they were heartily cheered. The governor's address of welcome was brief and pointed. He said:

Mr. Vice-President: On behalf of the people of Oregon, and as its chief executive officer, I bid you a hearty welcome to the state. We have a beautiful country with varied resources. Look around you and behold the vision of beauty and fertility that greets your eye on every side. No fairer land upon the whole earth is visited by the sunlight of heaven than our own Oregon. And yet, with all our wealth of resources, many of our industries are at a standstill, and hundreds of our laboring men are without employment and their families are without sufficient bread. This condition of affairs is the legitimate result of a departure from the financial policy of our fathers, which was made two decades ago and which still exists. Believing this, we appeal to you to use your utmost influence to procure a return to the policy of the government which was successfully followed for 80 years.

The simple repeal of the Sherman law, thus leaving our financial system on a gold basis, by the great political party which elected you to the next highest office in the gift of the people, which has gained control of the legislative and executive branches of government, and which pledged itself to the people in its last national platform to secure, without discriminating against either metal, the coinage and use of both gold and silver as the standard money of the country, would be a most flagrant breach of good faith, which all honorable men would scorn, and which would justly subject the party perpetrating it to the unmeasured contempt of the nation and the world. Nor would it be of any benefit.

The people of Oregon therefore beg you to aid in carrying out the written pledge of your party by a restoration of the former financial policy of the government, which would result in a return of prosperity, a revival of industries, and the employment of the vast army of the unemployed.

Again, Mr. Vice-President, I welcome you to Oregon, and wish you a pleasant visit here, a safe journey home, and continued health and prosperity.

MR. STEVENSON'S RESPONSE.
After the applause had subsided, Mr. Stevenson responded in a happy vein. He said:

Your Excellency the Governor of Oregon, Gentlemen of the Committee, Ladies and Gentlemen: I thank you for the kind words you have spoken; for the joyful welcome extended me at this early hour in the morning by the ladies and gentlemen of your city. I can only say I am profoundly grateful. The memory of this hour will linger with me to the last.

Since I reached your beautiful state I have known nothing but kindness. This act on my part, and the gentlemen of the committee, and these ladies and gentlemen has touched me deeply. I am profoundly grateful for this great act of courtesy extended me upon my visit to the beautiful and glorious state of Oregon. I can only say that this is fully appreciated by my friends and myself, and that we will bear back with us to our distant homes across the plains and mountains the most pleasant memories of the welcome you have given us.

In response to the words of the distinguished executive of this state, I can only say that to the best of my humble abilities I will endeavor to co-operate with those who, regardless of party, have in view the best interests of the common people of the land.

Beat His Father to Death.
SAN FRANCISCO, July 25.—Patrick Keenan, jr., a boatbuilder, came home last night in an intoxicated condition, and, without any provocation, beat his

aged father over the head with a marble slab, inflicting injuries which may cause the old man's death. The murderous son was arrested.

The Head Cure.
James Stepp, a Frenchman, living at 106, Twelfth street near Glisan, committed suicide yesterday afternoon by shooting a bullet into his head. He was a sausage-maker by occupation and had been on a protracted spree. He had been dissipating for a long time, and when he went home yesterday in a maudlin condition his wife chided him. He was lucid enough to get a pistol and kill himself in the presence of his wife and 12-year-old daughter. After shooting himself he was taken to St. Vincent hospital, where he lingered unconscious for five hours, dying at half past 9 o'clock. Mrs. Stepp, half crazed by the occurrence, attempted to kill herself with a knife, but was prevented by a woman present.—Dispatch.

A Million Friends.
A friend in need is a friend indeed and not less than one million people have found just such a friend in Dr. King's New Discovery for Consumption, Coughs, and Colds.—If you have never used this Great Cough Medicine, one trial will convince you that it has wonderful curative powers in all diseases of Throat, Chest and Lungs. Each bottle is guaranteed to do all that is claimed or money will be refunded. Trial bottles free at Snipes & Kinersly's drug store. Large bottles 50c and \$1.00.

A Mysterious Murder.
BURLINGTON, Ia., July 25.—An unknown person fired through the window of Leonard Fritche's house this morning, shooting Mrs. Fritche through the heart as she lay in bed. A neighbor and his son and the husband of the dead woman and a hired girl are all under arrest. No positive clew.

Our Old Fire Company.
"That was a gay old company that we belonged to, Joe, away back '68, when you and I 'ran with the machine.' Do you remember that big fire in Hotel Row, one freezing night, when fifteen people were pulled out of their burning rooms and came down in their night-clothes; and how 'Dick' Green brought down two 'kids' at once—one in his arms, the other slung on his back? Poor 'Dick'! He got the catarrh dreadfully from so much exposure, and suffered from it five years or more. We thought once he was going in consumption, sure. But, finally, he heard of Dr. Sage's Catarrh Remedy, and tried it, and it cured him up as sound as a flint. I tell you, Joe, that catarrh remedy is a great thing. It saved as good a man and as brave a fireman as ever trod shoe leather."

NOTICE.
Inasmuch as my wife, Georgie Anna Brooks, has, without just cause or provocation, left my bed and board, against my wishes and consent, and refuses to return or further live with me, I hereby warn all persons not to give her any credit on my account, as I will not pay any bills of her contracting after this date.

A Great Convenience.
Worlds fair visitors travelling via the Northern Pacific Railroad, and Wisconsin Central line, are landed at the Paid Central station in Chicago.

This magnificent fire-proof building, located in the heart of the city has been fitted up as a hotel, run on the European plan, with about 200 rooms handsomely furnished and each room is supplied with hot and cold water, electric lights, etc.

The charges for accommodations are reasonable and parties can secure rooms in advance by calling upon agents of the Northern Pacific railroad.

By taking the Northern Pacific through car line to Chicago, visitors will avoid the discomfort of all transfer in that city, and can also travel between the Grand Central station and world's fair grounds by trains which run direct between the two points. 2td1win-7-12
