She Has Accepted the Full Terms of France's Ultimatum.

THE WAR CLOUD DISAPPEARS Much Excitement in the Foreign Office in Paris When the Siamese Minister So Reported.

Paris, July 29.-Prince Vadehana, the Siamese minister, went to the foreign office this morning to communicate to M. Develle, minister of foreign affairs, Siam's decision to accept the terms of France's ultimatum. He was received by M. Revoil, chief secretary, who, without waiting for the prince to speak of his mission, informed him that M. Develle would be unable to receive him, as with the departure of M. Pavie from Bangkok all diplomatic intercourse between France and Siam had stopped. M. Revoil was proceeding to express his regrets, when Prince Vadehana exclaimed

"But I bring a flag of truce; we accept

the ultimatum." M. Revoil did not wait to hear more. He bolted into M. Develle's presence, shouting,"Siam accepts the ultimatum." He then explained that Prince Vadehana had brought the news and was waiting outside. M. Develle at once received the prince with exceptional cordiality. The prince repeated that Siam accepted, and expressed the hope that diplomatic relations would be resumed.

Entertains Stevenson.

SEATTLE, July 29. - [Special.] - The event of the past week has been the visit of Vice-President Stevenson and party to this city and the reception tendered by the citizens. A drive about the city during the day gave the vicepresident and party an opportunity to reception was informal, many thousparticipating in it.

ANXIOUS TO BE ANNEXED.

Canadians Forming a Society With This Object in View.

New York, July 29 .- Many prominent Canadian residents of this city met Thursday night and formed themselves into a society for the furtherance of endeavors to bring about the annexation of Canada with the United States. The meeting was unanimously in favor of adoption of the speediest method of obtaining for Canadians the advantages of American citizenship. The association is to be called the Canadian-American Society. No less than 275 members

were elected: President, Dr. George McGauran first vice-president, W. C. Charleroix; secretary, Dr. George E. Hayunga.

Ex-Premier Mercier, who is lecturing in favor of annexation throughout New England, will be invited to come to New York to advise the new club as to the best methods to be adopted to advance the interests of the movement.

Confessed to Wife Murder. ASTORIA, Or., July 29 .- John Hensen has confessed to the murder of his old and unoffending wife. Hansen's manner and bearing all along, and especially his conduct at the funeral of his murdered wife, stamp him as a man of iron nerve, reckless of means and careless of consequences. No horror was visible in his face when he bent over the body of his victim at the morgue and kissed the cold clay; no remoree seemed to move him, except as a passing cloud, when he heard the clode fall upon her coffin in Greenwood. There was scarcely need for him to confess, for Sheriff Smith and his aids and Prosecuting Attorney Curtis were weaving an unbreakable web of circumstantial evidence around him. So close and connected is the testimony which those officers have secured that conviction, in case of trial, would have been certain.

MITCHELL NOTES. SIAM Lonnie Laswell Killed by a Horse---

Other Matters.

One day last week while riding to school, Lonnie Laswell was thrown from his horse and so seriously injured that he died within a few hours. The cause of his horse throwing him is not known, since he was riding in advance of his brother and sisters and out of sight. He had fallen on his shoulder, crushing the entire side of the trunk of the body, breaking the collar bone and driving it into the lung. Dr. Hank of this place was called in, but nothing could be done only to alleviate the suffering of the little fellow until the mysterious One came to claim his own. Mrs. Laswell is a widow, beloved and respected by all who know her, and her many friends extend their heartfelt sympathy at her sudden and sad bereavement.

Mitchell is making some very pleasant improvements. Mr. Sasser of this place, and successful hotel proprietors and merchants, are building hotel and stores combined which is proving to be quite a presentable piece of work. Also Mr. Misner's saloon keeper is building a very neat and comfortable dwelling. Dr. Hank and E. E. Allen contemplate erecting dwellings in the near future.
