Nearly 100 Convicts to be Released From the Nebraska State Prison.

LINCOLN, Neb., Aug. 1.—Gov. Crouse and Warden Beemer of the state penitentiary held a consultation this afternoon over the new parole law, which goes into effect today. The warden informed the governor that when the new law goes into effect there will be in the neighborhood of 100 convicts entitled to parole within the discretion of the governor. These convicts have made records for good conduct while in the penitentiary, are industrious, and many of them masters of trades which would enable them to make a living. Many of them have families dependent upon them, and there are good reasons for the belief that they would make good citizens.

Speaking of the new law to the Bee correspondent this evening Governor Crouse stated that, while he looked upon it with a great deal of favor, he should proceed very slowly in putting it into effect. He has been in correspondence with the authorities in Minnesota, Pennsylvania and New York, where similar laws are in force. In Minnesota, however, said the governor, the law is not as broad as the new Nebraska law, while in the two latter states mentioned the law applied more especially to the reformatory, rather than to the penal institution.

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by Blakeley & Houghton, Druggists. 1m.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhoea in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Johnstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhoea very badly. I got some of Chamberlain's Colic, Cholera, and Diarrhoea Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by Blakeley & Houghton, Druggists. 1m.

Shiloh's Vitalizer is what you need for scapitis, torpid liver, yellow skin or kidney trouble. It is guaranteed to give you satisfaction. Price 74c. Sold by Snipes & Kinserly, druggists.

Mr. J. C. Boswell, one of the best known and most respected citizens of Brownwood, Texas, suffered with diarrhoea for a long time and tried many different remedies without benefit, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was used; that relieved him at once. For sale by Blakeley & Houghton, Druggists. 1m.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

**The Largest Wool Market.**

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

**ITS PRODUCTS.**

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

**ITS WEALTH.**

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones the stands.
