THE DALLES OREGON

LARGEST, SMALLEST, OLDEST.

The highest falls in the world are the Ribbon falls of the Yosemite—three thousand three hundred feet.

The smallest bird in the West India humming bird. Its body is less than an inch long and weighs only twenty grains.

The oldest statue in the world is of the shiek of an Egyptian village. It is believed to be not less than six thousand years old.

The largest cut stones in the world are in the temple of the Sun at Baal-see. Many are more than sixty feet long, twenty feet broad and of unknown depth.

A SHEEP ranch in the counties of Webb and Dimmet, Tex., gives pasture to about 1,500,000 sheep. It contains over 400,000 acres, and is considered the largest in the world.

**Banana Peel on the Sidewalk.**  
The street car had passed, but to catch it he reckoned.

So he ran like a deer, and shouted and beckoned. Till he planted his heel on a smooth bit of ice—

Then he saw half a million stars in a second. He was in too great a hurry; better have waited for another car. There are cases, however, where haste is necessary.

If you have night-sweats, feverishness, weak, sore lungs and a hacking cough, do not lose an hour in obtaining a supply of Dr. Pierce's Golden Medical Discovery. Delay in such cases is dangerous; it may be fatal. Before the disease has made too great progress, the "Golden Medical Discovery" is a certain cure. In fact, it's guaranteed to benefit or cure, or money paid for it promptly refunded.

Mr. J. C. Boswell, one of the best known and most respected citizens of Brownwood, Texas, suffered with diarrhoea for a long time and tried many different remedies without benefit, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was used; that relieved him at once. For sale by Blakeley & Houghton, Druggists. 1m.

**A Sunday at the Seaside.**

When they want your trade their announcements will be found in the paper. Look over our columns and observe the verification of the truth of this assertion. Remember, a trade of a family of two thousand is worth asking for through these columns, especially so at our very

**THE DALLES**

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

**ITS TERRITORY.**

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

**The Largest Wool Market.**

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

**ITS PRODUCTS.**

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

**ITS WEALTH.**

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.

The DAILY CHRONICLE is published every evening in the week Sundays excepted at \$6.00 per annum. The WEEKLY CHRONICLE on Fridays of each week at \$1.50 per annum.
