One Man's Hard Luck.

"Some of the Portland people growl breamse they have money tied up in suspended banks," said a San Francisco travelor vesterday, "but I have not met any one who has not perfect confidence that he will in due time get every cent he has deposited. If these people had their money in the Pacific bank of San Francisco, as a friend of mine had, they would have something to growl about. He had saved up quite a little stake and put it all in the Pacific bank. His wife wanted to make a trip to Germany, so he placed to her credit in the bank a sum that she could draw upon, and away she went. When the bank failed it failed for good, and all his money was gone. He cannot raise any money to get his wife home, and she is living as cheaply as possible over there on what he sends her out of his salary. That man has cause for complaint, but when a man feels sure that he is going to get all his money back before long he should be happy."-Oregonian.

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhosa Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by Blakeley & Houghton, Druggists.

Wasco County.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The-rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
