THE DALLES OREGON

THE TREAD OF AN INDIAN NURSE

It is as Noiseless as That of Her Grandfather When He Hunted Scapls.

There is in one of the great hospitals of New York a full-blooded Indian girl acting as a nurse in the women's ward.

I am told by an ex-patient of the hospital that the wild blood of this Minnehaha of the pill and pestle shows but in one way, and that rather an advantage in a room where there are sick women.

It might not be a bad idea for some person to train up a whole lot of Indian girls for a gainful occupation, to which they seem so well adapted by inheritance.

A Leader.

Since its first introduction, electric bitters has gained rapidly in popular favor, until now it is clearly in the lead among pure medicinal tonics and alteratives—containing nothing which permits its use as a beverage or intoxicant.

Mr. J. C. Boswell, one of the best known and most respected citizens of Brownwood, Texas, suffered with diarrhoea for a long time and tried many different remedies without benefit.

Karl's Clover Root, the new blood purifier, gives freshness and clearness to the complexion and cures constipation.

NOTICE.

Inasmuch as my wife, Georgie Anna Brooks, has, without just cause or provocation, left my bed and board, against my wishes and consent, and refuses to return or further live with me, I hereby warn all persons not to give her any credit on my account, as I will not pay any bills of her contracting after this date.

Feed must be clear barley, fresh rolled, free from dirt and rust; samples of not less than 25 lbs must be furnished by bidders.

The newspaper that goes to the family bedside is the one that the advertisers of today patronize when they desire to reach the people.

Look over our columns and observe the verification of the truth of this assertion. Remember, a trade of a family of two thousand is worth asking for through these columns, especially so at our very cheap advertising rates.

THE DALLES

Wasco County, Oregon.

The Gate City of the Inland Empire is situated at the head of navigation on the Middle Columbia, and is a thriving, prosperous city.

ITS TERRITORY.

It is the supply city for an extensive and rich agricultural and grazing country, its trade reaching as far south as Summer Lake, a distance of over two hundred miles.

The Largest Wool Market.

The rich grazing country along the eastern slope of the Cascades furnishes pasture for thousands of sheep, the wool from which finds market here.

The Dalles is the largest original wool shipping point in America, about 5,000,000 pounds being shipped last year.

ITS PRODUCTS.

The salmon fisheries are the finest on the Columbia, yielding this year a revenue of thousands of dollars, which will be more than doubled in the near future.

The products of the beautiful Klickitat valley find market here, and the country south and east has this year filled the warehouses, and all available storage places to overflowing with their products.

ITS WEALTH.

It is the richest city of its size on the coast and its money is scattered over and is being used to develop more farming country than is tributary to any other city in Eastern Oregon.

Its situation is unsurpassed. Its climate delightful. Its possibilities incalculable. Its resources unlimited. And on these corner stones she stands.
